Heimskringla '83

Pittsford Mendon High School
Pittsford, N.Y.

Foreword

A yearbook has always been regarded as a record of the events of the school year. A yearbook lasts a lifetime, allowing you to relive your high school days at anytime.

It is our goal to capture all the events, people, and places and record them in the style of a ship's log. Just as the Vikings marked down their voyages thousands of years ago, we will record your journey through the school year. As the Vikings used the sextant to guide their ship through the vast oceans, we will use it to guide our way through the book. We hope you will enjoy the 1983 Heimskringla!

SEXTANT (seks'tant) n.

An instrument used by navigators for measuring the angular distance of the sun, a star, etc. from the horizon, as in finding the position of a ship.

"Never Look Down To Test The Ground
Before Taking Your Next Step; Only He Who
Keeps His Eye Fixed On The Far Horizon Will
Find His Right Road."

- Dag Hammarskjöld

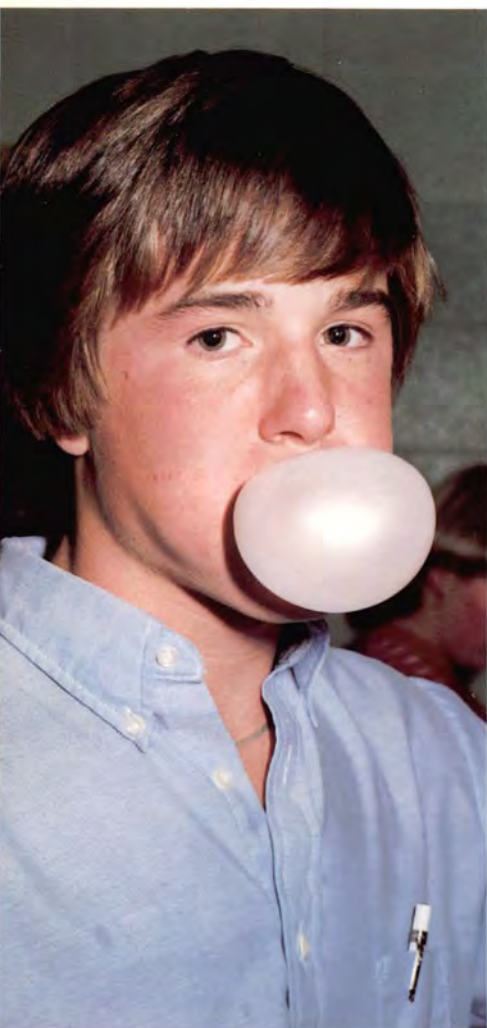

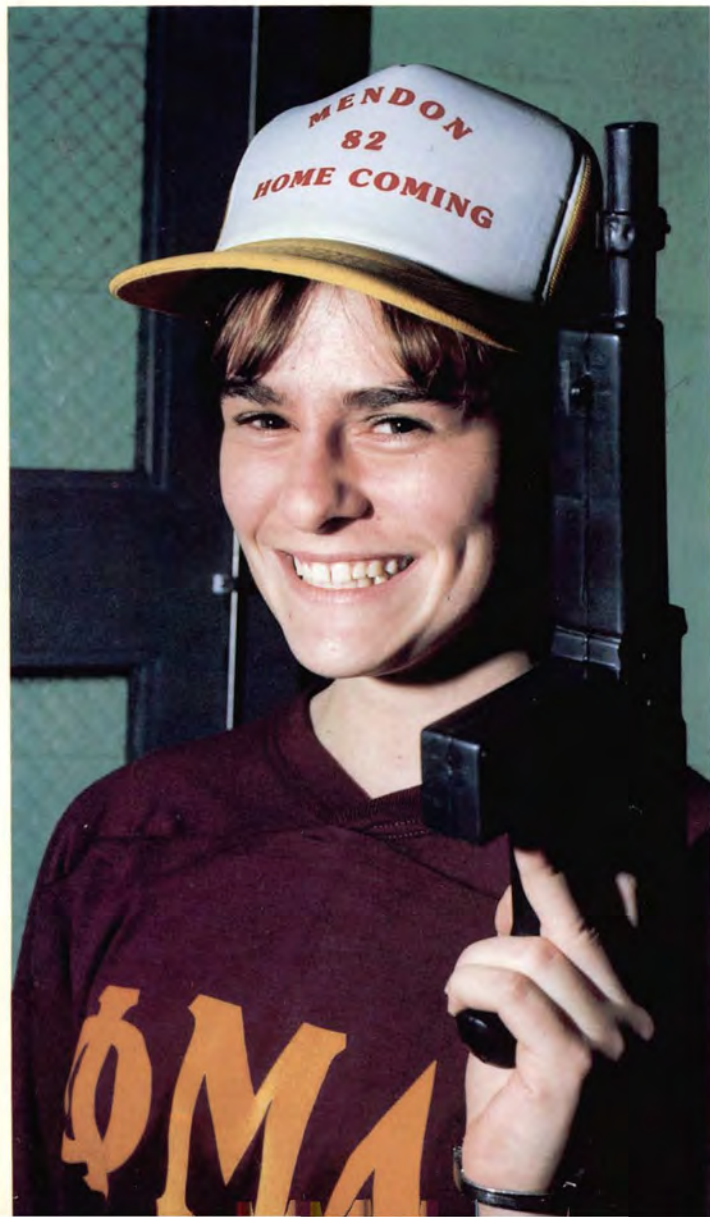

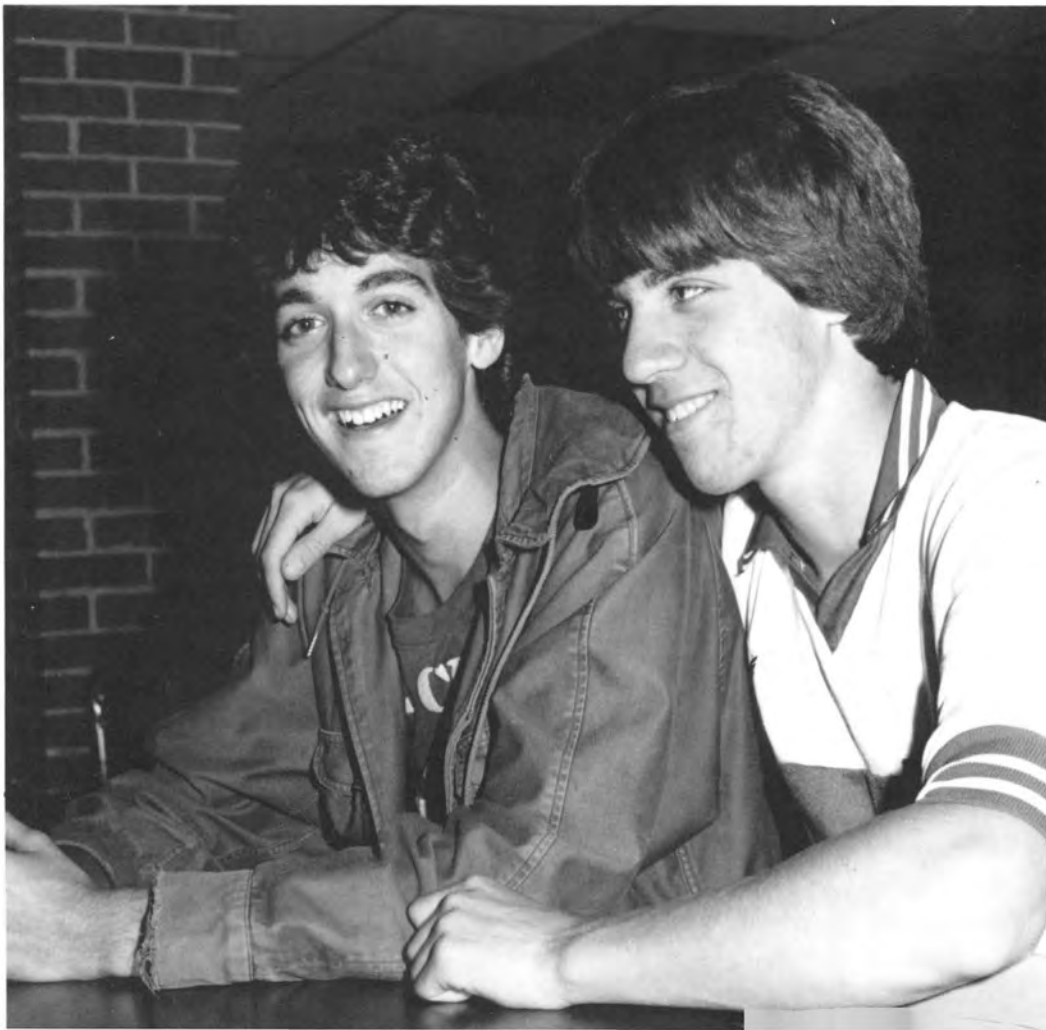

ENTRY ONE:

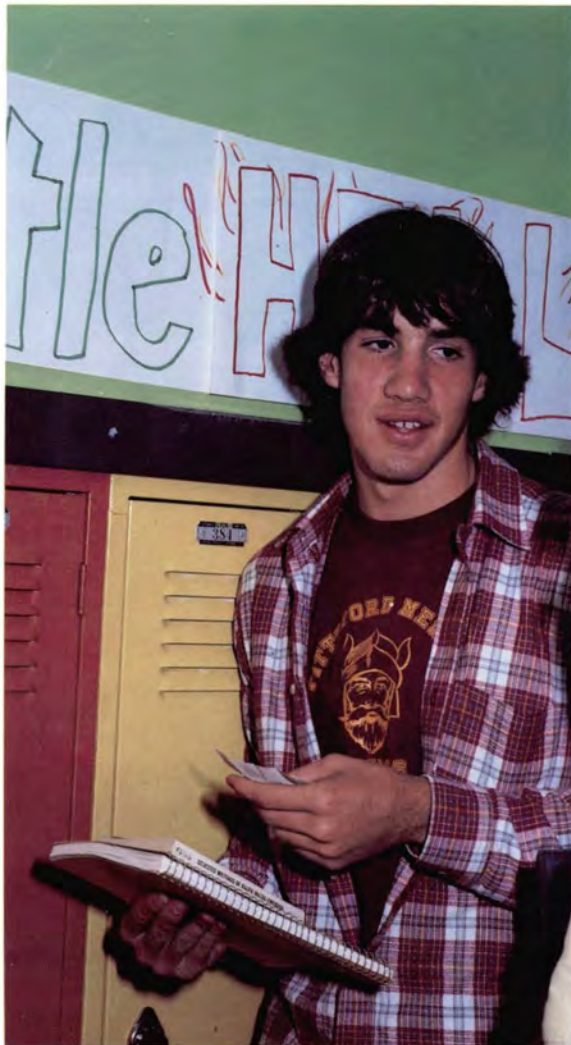

The Skies Are Clear
The Sea Is Calm
As We Start On Our Voyage
All Looks Promising.

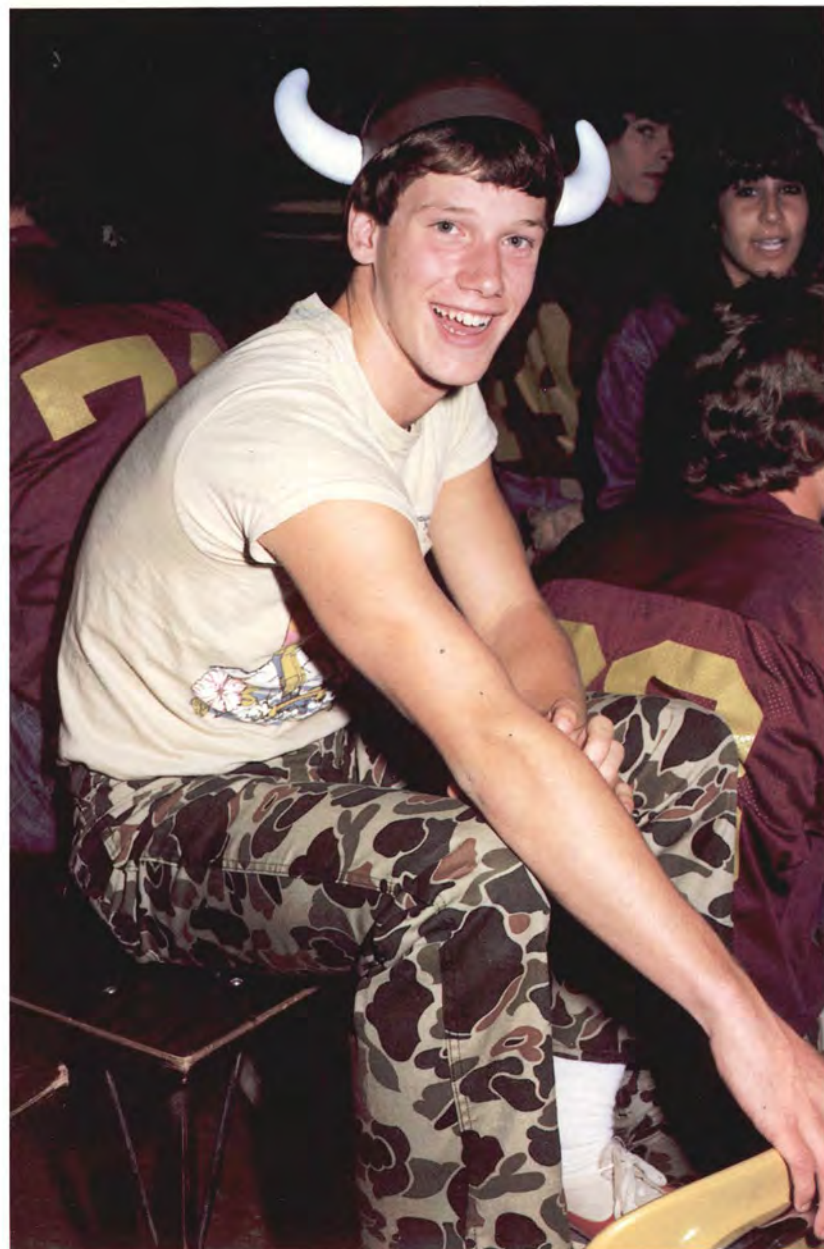

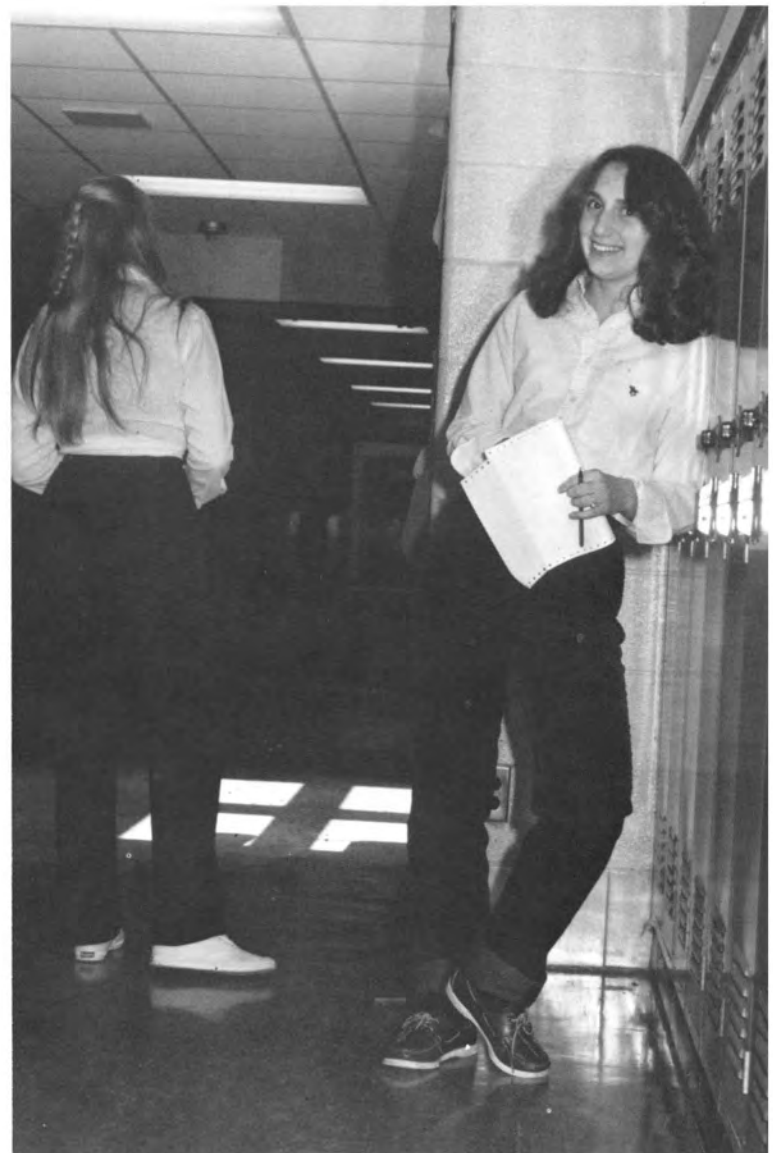

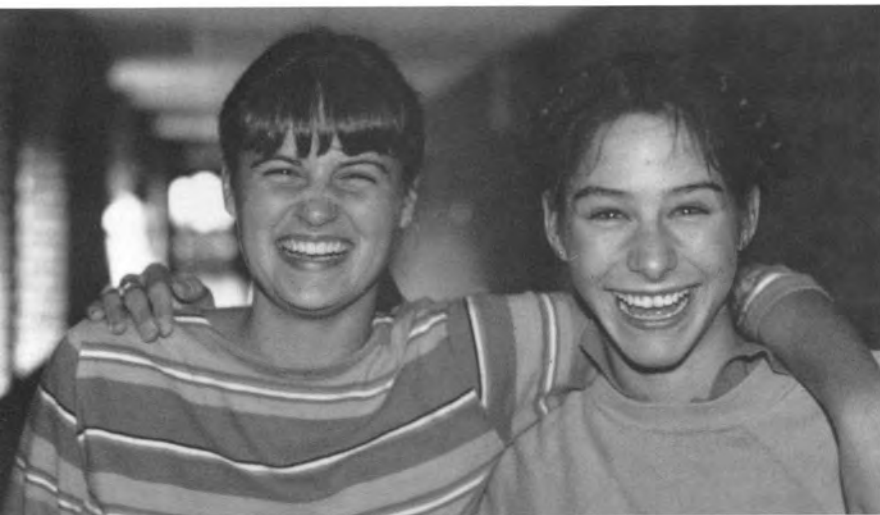

ENTRY TWO:

We Know Not What Lies Ahead
But Our Pride And Spirit
Will Carry Us Along Our Charted Course.

Memories Of Our Senior Year
Always Will Last In Our Hearts
Successes We Have Made Together
Happy Times And Friends Will Never Be Forgotten.

Dedication

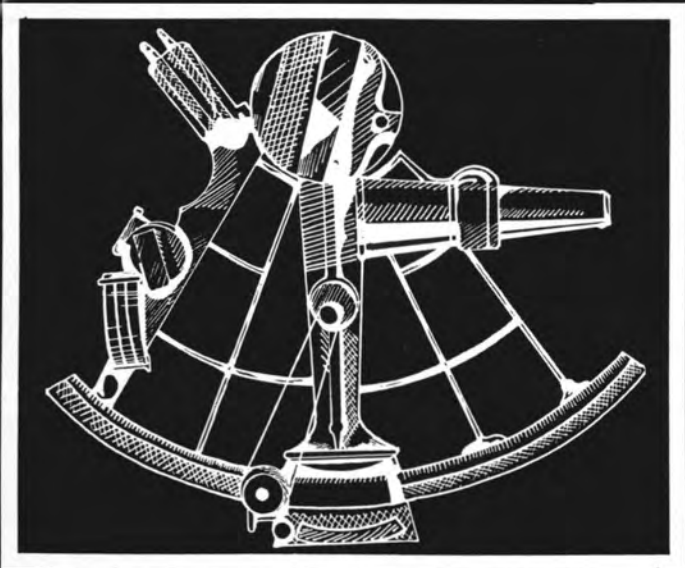

There are so many reasons why Mrs. Arnitz is deserving of this award, that it is almost impossible to put them into words. She has been our teacher and our friend, an advice giver and a confidant. You could always find her spending her free time in the Commons or after school doing what she does best, helping others. Mrs. Arnitz was always the one to turn to whether we needed help in math or in our love lives. She gave her best advice without being pushy and without expecting anything in return.

With these thoughts, we would like to thank you, Mrs. Arnitz, for all the things you have done for us in our three years at Pittsford Mendon. In watching and helping us grow from sophomores to seniors, you have been like a second mother to us. Now we would like to show our appreciation. So, it is with love and gratefulness that the class of 1983 dedicates this year's Heimskringla to you, Mrs. Mary Arnitz, because when we needed you, you were there.

"Times of Your Life"

Good morning yesterday
 You wake up and the time
 has slipped away
 And suddenly it's hard to
 find
 The memories you left
 behind
 Remember
 Do you remember
 The laughter and the tears
 The shadow of the misty
 yesteryears?
 The good times and the
 bad you've seen
 And all the others in
 between
 Remember
 Do you remember
 The times of your life
 Reach back for the joy
 and the sorrow
 Put them away in your
 mind
 For mem'ries are time
 that you borrow
 To spend when you get to
 tomorrow
 Here comes the setting
 sun,
 The seasons are passing
 one by one
 So gather moments while
 you may,
 Collect the dreams you
 dream today
 Remember
 Will you remember
 The times of your life.

Joy at the start
Fear in the journey
Joy in the coming home
A part of the heart
Gets lost in the learning
Somewhere along the road

Along the road
Your path may wonder
A pilgrims faith may fail
Absence makes the heart
grow fonder
Darkness obscures the
trail

Cursing the quest
Courting disaster
Measureless nights
forbode
Moments of rest
Glimpses of laughter
Are treasured along the
road

Along the road
Your steps may stumble
Your thoughts may start
to stray
But through it all
A heart held humble
Levels and lights your way

Joy at the start
Fear in the journey
Joy in the coming home
A part of the heart
Gets lost in the learning
Somewhere along the road

A Friend . . .
 Someone who you can share your inner feelings with . . . knowing you won't be judged or rejected.
 Someone who gives freely . . . without expectation or motivation.
 Someone who lets you be who you are . . . if you want to change, it's up to you.
 Someone who is there when you're hurting . . . offering true tenderness.
 Someone who sees your beauty . . . your true beauty.
 Someone who gives you space when it's needed . . . without hesitation.
 Someone who listens . . . to what you're really saying.
 Someone who will consider your different beliefs . . . without judgement.
 Someone who you always feel close to . . . even when they are far away.
 Someone who is comfortable to be with you . . . anytime, anywhere, doing anything.

Up in the morning for school at seven.

Stand up in a clear blue morning
Until you see what can be
Alone in a cold day dawning
Are you still free can you be

When some cold tomorrow finds you
When some sad old dream reminds you
How the endless road unwinds you

While you see a chance take it
Find romance fake it
Because it's all on you

Don't you know by now
No one gives you anything
Don't you wonder how to keep on moving
One more day your way
Your way

When there's no one left to leave you
Even you don't quite believe you
That's when nothing can deceive you

While you see a chance take it
Find romance fake it
Because it's all on you

Stand up in a clear blue morning
Until you see what can be
Alone in a cold day dawning
Are you still free can you be

And that old grey wind is blowing
And there's nothing left worth knowing
And it's time you should be going

While you see a chance take it
Find romance fake it
Because it's all on you.

Many students have been lucky enough to have Mrs. Gratian, at one time or another, instruct their math courses. Although many complaints may be heard about the difficulty of her rigorous classes, most agree that she is an excellent teacher from whom you can gain a lot. Unfortunately, in the future students will not experience the fulfillment of mastering logarithms, derivations, and integrals with Mrs. Gratian's help. After twenty years of teaching, eleven of which she devoted to Mendon, Mrs. Gratian is turning in her teacher's editions and retiring.

Teaching mathematics is not the only career Mrs. Gratian has pursued. She was a very successful physicist before her teaching years began. Her profession in physics included working on the Manhattan Project during World War II. Her skills were used in the departments of diffusion and radar while working on the bomb.

While working at Mendon, Mrs. Gratian has applied her mathematical talents to such things as teaching the A.P. course and coaching the "math-letes." The "math-letes" are a group of excellent students who meet after school with Mrs. Gratian to practice math skills and prepare for upcoming math contests.

Mrs. Gratian has fully dedicated herself to her students. Little things like writing college recommendations and spending extra time to help students having trouble make her the special teacher that she is. There is no doubt that her presence will be missed greatly in years to come.

Girls' Varsity Swim Team

Performs With Strength And Endurance

Row 1: Lynn Stiles, Lori Bushnell, Lisa Whitaker. Row 2: Heidi Sardone, Melanie Crout, Sarah Stahl, Catherine Stahl, Michelle Garnish, Molly Lundy. Row 3: Sandy Peco, Alicia Dugan, Coach Keating, Tammy Miller. Row 4: Amy Fandel, Kris Engkvist, Wendy Sue Lockwood, Laurie Sheridan.

To be a member of the swim team each girl must be totally devoted to her swimming. They meet Monday through Saturday for two and a half hours of practice in the pool. Then they meet for another three hours during the week before school to use the weight room and to do other strenuous activities. Coach Marty Keating believes that each swimmer must have strength and endurance to perform perfectly. The girls must also believe this philosophy as proved by their individual as well as team records. The team, led by co-captains Sarah Stahl and Alicia Dugan, had an overall record of 3-7-0, however, four out of their seven losses were by only one or two points. The girls did extremely well in Sectionals, losing again by only two points to Victor in the finals. Moreover, the team which consisted of only twelve varsity swimmers and divers and two junior varsity swimmers were competing with teams which were two or three times as great. Two girls were triple winners in Sectionals; Alicia Dugan who won the 200 Medley Relay, 100 Free and the 50 Free. Alicia's times in the two freestyle events were Class B records, thus, they qualified her for nationals, and made her an All-County member. Sandy Peco won the 200 Medley Relay, 200 Free, and the 500 Free. Sandy also qualified for the state competition for her time in the 200 Individual Medley. There were four members of the team who made All-County as a 200 Medley Relay team, Tammy Miller, Wendy Lockwood, Sandy Peco, and Alicia Dugan. The girls should be congratulated for having a terrific season and being able to totally devote themselves to this competitive and demanding sport.

Golf Team

Tees Off On A
Fine Season.

Row 1; Doug Robinson, Peter Borys, Warren Hookway, Ted Davies, Coach Bruce Fay. Row 2; Mark Davies, Jeff Wills, Craig Morrell, Mike Smith.

Surpassing last year's season, the 1982 Varsity Golf Team established a solid record of 8-3. Coaches Bruce Fay and Joe Borrosh and Captains Ted Davies and Warren Hookway led the team to the third spot in league standings. They practiced and held their home games at Monroe Country Club. For away games they traveled to other country clubs around the Rochester area. Although they lost many valuable players to graduation, the team looks forward to a productive 1983 season.

For the third season in a row the JV Golf Team has been undefeated. Coached by Mr. Joe Borrosh they excelled and broke several team records. They set a new point-percent total, a new low team score for both 6 out of 9 games and 8 out of 9 games, and the lowest six-man average. There were also new individual records set. Ross Beckwith broke the best season record and Dave McHugh set the record for the lowest nine-hole game. The team lucked out this season by being able to play five of their eight games at their home course, Monroe Country Club. They had two very close matches, the first was against Sutherland where they won by only one-half of a point. Their second challenge came from Fairport where they won by a score of 43.2 to 44.0. The outlook is bright for the JV team with many of these excellent golfers returning.

Steals Another Winning Season

Row 1; Sal DeBiase, Pete Melville, Kevin O'Malley, Jeff Wittig, Tom Easterly. Row 2; Jay Robeson, Craig Slimmer, Dave Epstein, Bob Borroff, Dave Sukert. Row 3; Manager Gary Constable, Coach Dick Steed, Jim Belles, Skip Danesi, Mark Schwind, Tim Vesling.

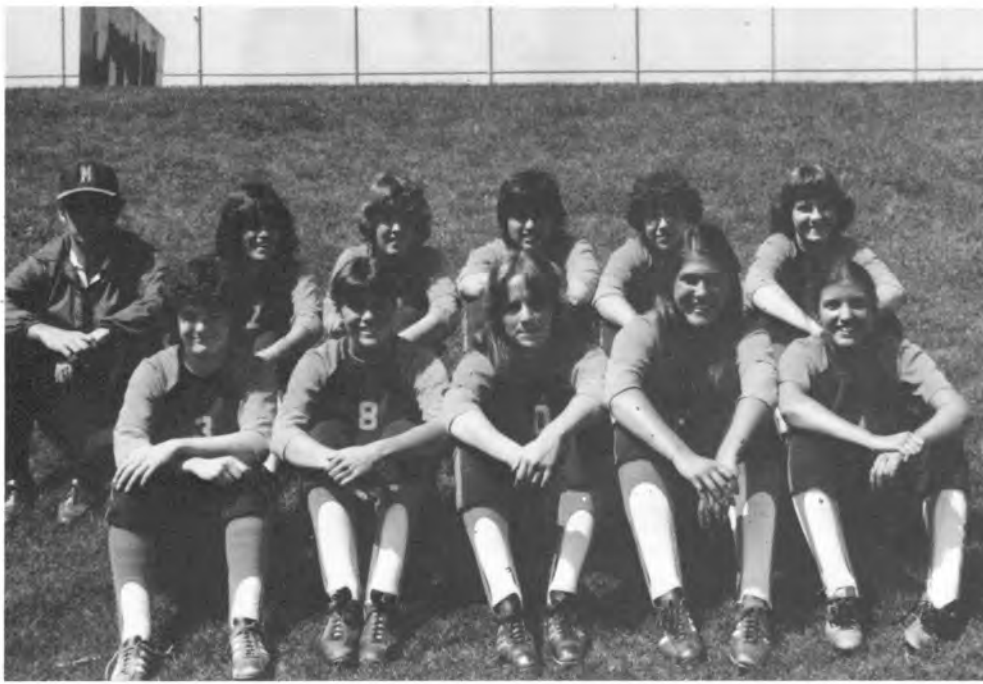

The Viking's Varsity Baseball team had a terrific season, producing a 18-5 final record. This excellent record gave the team the topseed position in class AA. They also placed second in Monroe County East. To qualify for Sectionals, the team won a tough match over Sperry, after it had been postponed due to rain. The Vikings got to the quarterfinals in sectionals where they were shocked by Geneva 2-1. Team members, Jeff Wittig, Tim Vesling, and Peter Melville, were made All-County. One exciting highlight of the season was beating Sutherland at Silver Stadium in front of several hundred fans. Although the team will lose some seniors, its skill level will carry over into the 1983 season.

The JV Baseball team had a successful season with a 15-6 record. This year the team had tri-captains of Shawn Smith, Peter Easterly, and Paul O'Malley. The team was very strong with the pitching ability of John Pask and the powerful batting trio of Shawn Smith, Pete Easterly, and Lou Giovannetti. The highlight of the season was when the boys played against Sutherland in Silver Stadium. Coach Clapp believes that next year looks hopeful with the powerful and experienced players returning for yet another terrific season.

Softball

Swings Into Action

Once again, the Girls' Varsity Softball team had an outstanding season placing first in their division. Coached by Tom Vogt, an exceptional league record of 10-2 was achieved. Losing to Hilton in Sectionals, the Vikings had an impressive 11-3 overall record. Selected to the All-County first team were Karen Hill, Laurie Vienne, and Karen Erickson. Karen Erickson was also selected as the "Most Valuable Player" of the team. Although the team will lose some seniors, the 1983 season will be just as strong with the returning experienced Varsity players and the up-and-coming players from the Junior Varsity.

Row 1, Donna Klassen, Laurie Maloy, Jeanne Kinney, Sharon DiPasquale. Row 2, Patti Zeifang, Tracy Searing, Mindy Cohen, Cindy Humphries. Row 3, Lori Tumminelli, Lisa Reinking, Karen Dempsey, Sue DiPasquale, Barbara Tripp, Sue Reilly. Row 4, Shaheen Rahman, Coach Dick Heffron.

The JV Girls' Softball Team had a successful season, pulling off a 7-4-1 record. Coached by Mr. Heffron, the team was particularly young but had many exciting games. There was much enthusiasm both on the field and on the bench. Although many girls will move up to the Varsity team, the experienced underclassmen who return will undoubtedly lead the 1983 team to another successful season.

Tennis Teams

Ace The Opponents

The boys' Varsity Tennis team ended their season with a very successful record of 15-3. With the help of Coach Nagle and Co-captains Jon O'Hara and Jamie Koch, the team set a first by beating their rivals at Brighton High School. There was also another first set by the team this year. A girl by the name of Lynn Christman was allowed to play at the third singles spot. It was quite a different season for the once all-boys team to have a girl join them, but Lynn proved herself worthy of the competition.

Jeff O'Dwyer, who played first singles, won the Sectional title and advanced to States where he went all the way to the quarterfinals. There were four members of the team named to All-County on the first string. They were Peter Cody, Kelly Schmitz, Jeff O'Dwyer and Aneel Bushri. Even though the team lost six seniors, they will be as strong as ever since most of the starting players were experienced underclassmen.

Row 1; Kelly Schmitz, Jon O'Hara, Brian Klass. Row 2; Ed Paulsen, Pete Cody, Lynn Christman, Jeff Sobell. Row 3; Steve Sobell, Hitz Shapiro, Adil Masood. Row 4; Trip Brown, Jamie Koch, Bill Castle.

The boys' JV Tennis team also had a very successful season with a 9-4 record. As did the Varsity, the JV team finally defeated Brighton after many years of competing against each other. The team was coached by Mr. Hahn and the captain was whoever played first singles for the day. The team was fairly young with four ninth grade players, Andy Coolidge, Nick Holms, Scott Morrell and Scott Klass. Thus the 1983 team, with all their tournament players, will probably have another successful season.

Row 1; Dan Whitney, Gary Beckwith, Scott Morrell, Scott Klass. Row 2; Dan Utech, Dudley Stukenberg, Chuck Pembroke, Cliff Penrose.

Track

On Your Mark . . .

Row 1: Shawn Campbell, Dave Maguire, Kevin Kane, Charlene Weese, Ike Jordan, Lowan Brown, Dave Kells, Chris Pierson. Row 2: Teresa Abitabilo, Jim Root, Sarah Bazany, Greg Williams, Judy Johnson, Scott Twomey, Tammy Greer, Drew Timura, Mike Palazzo, Dan Link, Marc Blackwell, Ken Graham, Todd Bitgood, Mitch Douglass, Mike Perrin, Mark Reinking, Todd Stukenberg. Row 3: Laurie Gerken, Ruth Prymmer, Joy Tanner, Sue Ayers.

Although their record of 1-5 does not show the Boy's Track team's potential and skill, they had a good year with improvements throughout the season. They had a close meet with East Rochester and an exciting win over Batavia. Led by their captains Ike Jordan and Scott Twomey and coaches Mr. Young and Mr. Farquhar, the Viking spirit lived on. The Vikings came out of Sectionals with honors going to Drew Timura for shotput and Ike Jordan for the 100m and 200m races.

The Girls' Track team had an excellent year pulling off a seasonal record of 3-3. This was the best record they've had in 6 years. Captains Charlene Weese and assistant captain Tracy Hochuli led them with enthusiasm and determination. Their coach Barb Hammond was really proud when the team went on to Sectionals to receive individual honors in 5 events. Those who participated included Charlene Weese for shotput and disc; Terry Moore, Debbie Rawden, Joy Tanner, and Ann Quillen for relay; Susan Ayers for 400 hurdles; Ann Quillen for long jump and Shireen Rahman ran in the one mile race.

Lacrosse

Stickmen Gain Experience

Coached by Paul Wilson, the 1982 Lacrosse team was made up of both Mendon and Sutherland players. Tri-captains were Jon Taylor, Todd Stukenberg and Mike Bazany.

One of the difficulties encountered by the team was that, unlike other districts, Pittsford does not have a junior high program. This was reflected in the wide range of maturity and experience amongst team members. The skill level of the team continually improves and will definitely be a contender in next years league.

Row 1; Mike Bazany, Bob Lockwood, Tim Loughlin. Row 2; Tom Brayer, Mike Paszkiewicz, Gary Gryski, Scott Barnett, Matt Richey. Row 3; John Rubens, Todd Stukenberg, Paul Barden, Charlie Holvey, Paul Konz, Trey Rock.

The Cross-Country Track team has been growing in popularity over the past several years. This year the team consisted of 14 boys and 5 girls. Competing throughout the Rochester area these runners gained experience and had alot of fun. The girls team competed mainly for individual awards. The boys team, on the other hand, was composed of a Varsity A and a Varsity B teams. The Varsity A team would run a 3-mile course first and then the Varsity B team would follow. In the Sectional Competition seven boys went to represent the Vikings: Shawn Campbell, Peter Bowmen, Gary Mayhen, Chris Pardi, Mark Schwind, Bob Haefner, and Jim Cooney, who did the best overall. Coached by Ken Young the 1983 team looks forward to another enjoyable and productive season.

Sectional Champs 3rd Time In A Row!

Row 1: Scott Fleckenstein, Bill Garrity, Rick Schneider, Jeff Camp, Mark Davies, Tim Loughlin, Andy Ormandy, Buddy Fahey, George Zullo, Scott Battle, Gary Gryski, Sal DeBiase, James Palmiere. Row 2: Scott Heslink, Kevin Murphy, Paul O'Malley, Dave Kells, Joe Desiderio, Steve Nothnagle, Jeff Hales, Eric Olsen, Scott Barnett, Jay Robeson, Lou Giovannetti, Brian Harr, Matt Beck. The 1982 season opened with a cautiously optimistic attitude for the Vikings. Coming off an undefeated season, topped off with the Sectional crown, the football team had a lot of pressure thrust upon them to uphold Mendon's tradition. However, with the return of several outstanding letterman and fine new talent things looked bright.

The opening game against Brighton strengthened this outlook, with Mendon completely dominating the game. The next opponent was Eastridge, a team which always gives the Vikings trouble, on Homecoming weekend. Perhaps the team was looking ahead or was over confident, but the Lancers humbled Mendon in a shocking upset. The following week was one of many highlights for the season. Fairport was the victim and as thousands of fans looked on Mendon shut out the Raiders, 17-0. The elation of this important victory was short lived, as Sperry eeked out a one point game in a brilliant defensive battle. With consecutive victories over McQuaid and Penfield the Vikings regained their confidence and sectional hopes. However, East Rochester proved to be another stumbling block for the team, as the Bombers defeated the Vikes 14-10. Entering the final regular season game against arch rival Sutherland, Mendon needed a victory to qualify for sectional competition. On a bitterly cold day, the Vikings showed their superiority and outmuscled the Knights 12-6, thus gaining the fourth sectional seeding.

Mendon's next test was against first seeded Batavia. With starter Tim Vesling out with a season ending concussion, the outlook was not good. The team however showed its pride and spirit with a great 7-0 win. Workhorse Drew Timura ran for a 70 yd. T.D. early in the second half and the defense made it stand up for the margin of victory. Mendon had reached the finals once again and faced RH Roth, whom they had defeated the year before for the sectional title.

The stage was set on Nov. 20 at Fauver Stadium, but once again a major shock was dealt before the game even began. Coach Tom Vogt was hospitalized with a heart attack and would not be on the sidelines for the game. Coach Farquhar took over and inspired the team to dedicate the game to Vogt. After falling behind early in the game, the Vikes finally regrouped and began to show their dominance. Behind the steady play of senior Lou Giovannetti, the power running of Timura, and the muscle of both offensive and defensive lines, Mendon regained the lead before halftime. Early in the third quarter the Vikings were dealt yet another blow, when Timura went out with a knee injury. The defense rose to the challenge, though, and shut down the Royals completely. In the end Mendon won 20-10 for an unbelievable third straight Sectional title! Individual game awards were presented to Scott Fleckenstein as Outstanding Back, John Brennan as Outstanding Offensive Line-man, Jim French as Defensive Player, and Drew Timura as Most Valuable Player. Post season awards went to Paul Barden, Jay Robeson, John Brennan, Drew Timura and Tim Vesling who were chosen to the All County Team. Brennan and Vesling were also selected to the Super 22 All Greater Rochester team.

The season was comprised of some very high points and some rough spots, but in the end, the championship went to the Vikings and PMHS's winning tradition was upheld.

Field Hockey

Determined Ladies

Entering the 1982 season, the Varsity field hockey team had a questionable outlook having lost 12 Seniors. Through the determination of their new coach Miss Quinn and consistent efforts of the players, they came through with a satisfactory season of 3-7-4. A highlight of the season was a win over Sutherland with a winning goal scored in the last 10 seconds of the game. The closeness and unity of the team was held together by the enthusiasm of their captains Lynne Willert and Stephanie Hookway. Individual honors were given to Debbie and Leah Van Ummersen for making All-County first team. Because of the experience gained by the underclassmen of the team the outlook for next year looks brighter.

Row 3; Andrea Gawlak, Diane Sheridan, Nancy Barre, Andrea Willard, Chris Fox, Susan Eckart, Aileen DeMeo, Jenny Needham, Debbie Stowe, Coach Quinn.

Although the record of 1-11-2 does not fully reflect the Junior Varsity team's skill level and efforts, the team had a good year with much improvement being made. Their exciting win over Sutherland added to the already high spirits of the team. The girls never gave up and their enthusiasm stuck with them for the entire season.

Row 1; Kathleen O'Brien, Missy Ganaway, Mari Olivares, Lynne Cometa, DeAnne Czebatol, Sue Overslaugh, Jenny Ward, Krissy Robinson. Girls' Soccer

Heads Up!

The Girls' Varsity soccer team was made up of mostly juniors and sophomores since they lost twelve seniors last year. Co-captains Molly Melville and Terry Moore helped lead the girls through a developing year. This helped build a stronger team for the future since only four team members will be graduating. The highlight of the season was when they beat Sutherland on Homecoming Weekend. The season ended when they lost in Sectionals to Greece Athena. Despite the loss, they still landed in second place for the division. Seniors, Molly Melville and Terry Moore were chosen for first string All-County and, Patty Zeifang and Cassie Jordan were chosen for second string.

Row 1: Rachal Newton, Pam Giovannetti. Row 2: Laura Sheridan, Yvonne Leroux, Suzanne Frank, Debbie Brandriss, Nancy Vitello, Laura Smith, Laura Collins, Kim Henderson, Emmy Scudder, Michele Chaput. Row 3: Kristin MacKenzie, Laura Deal, Wendy Wollin, Leslie Jann, Holly Krym, Spring Winebrenner, Carolyn Carrier, Suzy Kane, Anne Clark, Wendy Wilkin, Beth Sheridan, Jenny Wilkinson.

The Girls' JV Soccer Team, through the help of Coach Perlet, had an exciting and rewarding season. They finished their season with a record of 5-10. The JV's record did not show the true picture, however. Most of the games were very close and often went into overtime. Composed mainly of freshmen, the 1982 team will return with more experience and pose a threat to other teams. With a growing skill level, the Vikings can look forward to a rewarding season next year.

Tennis Dynasty

Row 1: Suzanne DiPasquale, Donna Klassen, Paige Bitgood, Floran Salamone, Karen Dempsey. Row 2: Coach Wright, Kate Norton, Kerry O'Neill, Pam Rachfal, Cindy Castle, Chrissy Walker, Clare Doyle, Andrea Farney.

The girl's Varsity Tennis Team has the best record of all the Varsity teams at Mendon. After four years, with Coach Ann Wright, they have comprised a record of 37-1. This year the girls had an impressive season by winning every match 5-0, except to Sutherland where the team score was 4-1. The team's motto, "Win with Class," was taken very seriously. Often opposing coaches would comment on the team's spirit and good sportsmanship.

After the regular season was over, several girls went on to post-season play. The tournament winners were:

Monroe County Championships

Kate Norton—First Singles

Donna Klassen—Second Singles

Chrissy Walker and Andrea Farney—First Doubles

Sectional Tournament

Kate Norton—First Singles

New York State Tennis Tournament Representatives

Kate Norton—Singles

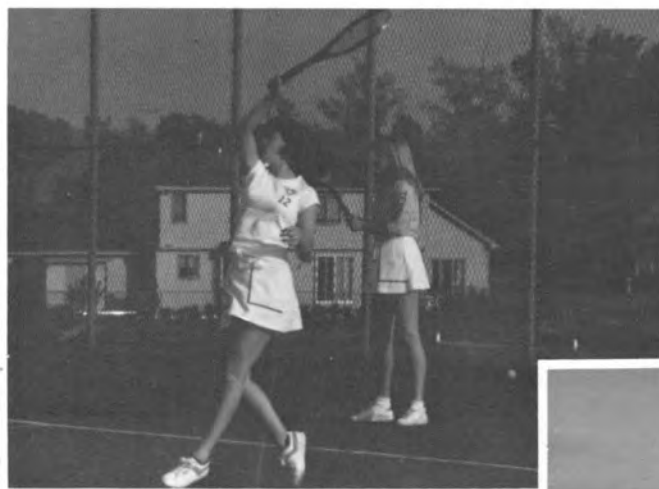

Chrissy Walker and Andrea Farney—Doubles

This year's Varsity team was once again named the Monroe County Eastern Division Champions. This is the fourth time in five years the Varsity Tennis Team has been awarded this honor. Kate Norton, Chrissy Walker and Andrea Farney were named to the All-County Team and Donna Klassen was awarded honorable mention.

The team consisted of: Kate Norton(MVP-first singles), Donna Klassen(second singles), Debbie Rawden(third singles), Chrissy Walker and Andrea Farney(first doubles), Cindy Castle and Clare Doyle(second doubles), Pam Rachfal and Kerry O'Neill (third doubles), Suzanne DiPasquale, Paige Bitgood, and Karen Dempsey. Co-captains Cindy Castle and Pam Rachfal should be congratulated for leading this team to such an impressive record.

Once again the Junior Varsity Tennis Team had an undefeated season. Coached by Mrs. Barb Carey, the team was strong, united, and made up of good friends. Laurie Maloy, the MVP, led the team at first singles. One of the unique qualities of this team was that two eighth graders, Wendy VanUmmersen and Priya Bhusri, played at starting positions. Tri-captains Laurie Maloy, Sharon DisPasquale, and Lynn Stiles made it a fun season. Many returning freshmen and sophomores will give the team a good start in 1983.

Mendon has gained a reputation throughout New York State for its soccer program. The Vikings, once again, upheld this reputation with superior soccer. With a lot of hard work and class, the team went as far as a New York State soccer team can go. Led by Coach Joe Borrosh and co-captains Erik Miller and Dave Leve, the team finished the season with a 19-3-1 record, the Section V title and the New York State Class B title as well!

Exciting regular season games, including victories over Webster Thomas, Honeye Falls, and twice over Webster Schroeder, made for an outstanding season. But this proved just to be a warm up for the teams championship competition. Entering the Sectionals Mendon beat Pal-Mac and then faced rival Sutherland. In perhaps their most suspensful and exciting game of the year, the Vikings beat the Knights 3-2 in sudden death overtime. In the finals Mendon beat Schroeder for the third time in the season and thus captured the Sectional crown.

State competition began with a victory over Tonawanda. Canton was the next victim in a game that Mendon scored the winning goal in the last two minutes of the game. The Vikings advanced to the state finals held at Hofstra University. The fact that the team flew to Long Island gave them an advantage and they won an exciting game over Shoreham-Wading River. Mendon had once again won the New York State Class B soccer title!

With such a rewarding season many honors were recieved by team members. Overall, the Vikings were honored as "Team of the Year" by the Rochester newspapers. Erik Miller, Dave Leve and Dan Link were named to the first team All-County. Dan Bryson, Don Stehler, and Mike Deckman made second team, while Marshall Jones recieved Honorable Mention. Miller and Link were also selected to the All Greater Rochester team. Coach Borrosh was named as coach of the All- Greater Rochester team. Dave Leve made second team and Don Stehler recieved Honorable Mention. Erik Miller also was honored by being named to the All-State team.

The Sectional Title and State Championship are once in a lifetime experiences, the memories of which will last forever with the team members and their fans.

Cheerleaders

Encourage Teams To Victory

The Viking Cheerleaders begin their season in August and work through February. They cheer for over 65 football, soccer, and basketball games. The cheerleaders prepare their cheers not only for the Viking fans but also for several competitions. At each basketball game the girls are judged by the opposing coach. The top five squads, based on these results, compete in Sectionals. The Mendon Cheerleaders also compete in Pom-Pon and County competitions, where they captured 1st place for their pom-pom routines and 2nd place in Counties out of 23 teams. This year's Varsity squad was led by co-captains Katie Przewdziecki and Cindy Thomas. The team was coached by Julie Schutte.

Row 1; Michelle Gillette, Jill Frank, Katie Przewdziecki, Row 2; Cindy Thomas, Julie Jacobs, Becky Krapf, Elise Humphries. Row 3; Amy Smith, Maureen Bolger, Kaysie Manzardo, Jenny Sprengle, Anne Langie.

Practicing everyday of the week except on game days, the Junior Varsity Cheerleaders enjoyed a successful season with their Coach, Krys Salon. They cheered for three excellent teams and were lucky enough to help support the very successful football and soccer teams during Sectionals. The fall captains were Cheryl LeFevre and Nicole Levesque; the winter captains were Kelly Kazmarek and Mary Jane Thomas. The team has begun preparations for competition in January.

Row 1; Lauren Delahunty, Cheryl LeFevre, Celeste Stalk, Kelly McNeil. Row 2; Lydia DelTorto, Nicole Levesque, Kim Miller, Debbie Goodwin, Kelly Kazmarek. Row 3; Sue Gryski, Mary Jane Thomas, Tracy Twomey.

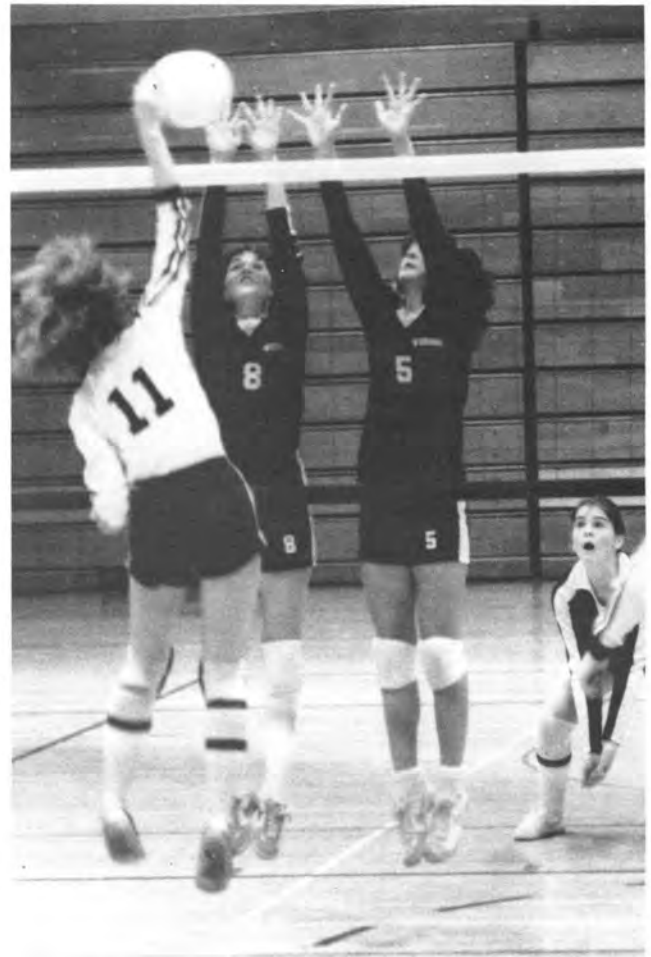

Volleyball

Bump, Set, Spike!

Having lost many players to graduation, the Varsity Volleyball Team came into the 1982 season looking to rebuild. Led by Captains Lori Mihalov and Molly Melville, the team compiled a record of 2-10, which does not accurately reflect the team's efforts. The exciting victories against R-H Sperry and Brighton were certainly high points of this short season. The 1983 season, however, looks to be quite promising with the return of many sophomores and juniors.

Row 1; Manager Falcetta, Debbie VanUmmersen, Sandy Poole, Chrissy Walker. Row 2; Coach Perlet, Barb Tripp, Amy Buck, Lynda Ferrari, Gigi Bruno. Row 3; Lori Mihalov, Tracy Malloy, Molly Melville, Nancy Chaput.

The JV Volleyball Team had its best season yet, comprising an impressive record of 10-2. The girls improved throughout the season and placed first in their division along with Fairport and Sperry. Captains Patty Zeifang and Shireen Rahman kept up the team's spirit. With many returning freshman and sophomores, the 1983 season looks to be even better.

Row 1; Mindy McClaskey, Cindy Humphries, Tracy Searing, Laurie Maloy. Row 2; Nancy Smolenski, Carolyn Crause, Sue Davies, Patty Zeifang, Coach McCarthy. Row 3; Sarah Frank, Michele Jamison, Lisa Dunagen, Shireen Rahman.

Basketball . . . Section V Champs!

Row 1: Dave Sukert, Pete Easterly, Mark Schwind, Paul O'Malley, Jim Cooney. Row 2: Coach Dick Heffron, Greg Monroe, Jay Metzler, Mike Palazzo, Matt Collins, Ted Gibson, John Pask, Ross Beckwith, Mgr. Ted Arvan.

The 1982-83 Mendon Boys' Varsity basketball team had an exceptional year. The team faced a lot of pressure being the preseason favorites. They responded by posting a 16-2 record. Led by senior captain Greg Monroe, who averaged 23 pts. a game, and co-captain Mark Schwind, the Vikings only losses were to the Fairport Red Raiders. Highlights included victories over Sperry Sutherland and Irondequoit. Coach Dick Heffron marked his 100th coaching victory with the team's win over E.R. Paul O'Malley, Mike Palazzo, Jim Cooney, Dave Sukert, and John Pask along with Monroe and Schwind started most games, however the bench saw plenty of action and everyone made a contribution to the team's success. That success came in the form of the number one seeding in the Section V Class AA playoffs. Mendon's first opponent was Webster Schroeder and the game proved to be a blowout with the Vikings winning by close to 40 pts. The next hurdle was Eastridge in a game played at the War Memorial. This game proved to be a romp also, and the Mendon machine was on a roll. The culmination was the Sectional finals against a tall, rugged team from Geneva. The Vikings proved that they were peaking at the right time. Led by Greg Monroe's season high 34 points Mendon turned a close game into an 89-74 rout, and it's first Section V title.

The Vikings post season play continued as they hosted Bennett High from Buffalo at the War Memorial in the State Tournament. Despite a valiant effort Mendon lost 76-72 and the brilliant season came to an end.

By winning the Sectionals Mendon completed the Triple Crown as they had already won the football and soccer titles. This was truly a unique accomplishment.

Mendon's JV Boys' Basketball Team finished with a slightly better than .500 record, but this does not accurately show the talent on the team. Most of their losses were by very few points and some were from overtime play. Sharing the starting position were Bill French, Brian Heffron, Walt Monroe, Pete TenHagen, Dave Weaver, Paul Wood and freshman Shawn Miklaucic. Their skill and willingness to learn will be a great asset to next year's varsity team.

Row 1: Dave Chans, Rick Deegan, Don Smolenski, Bill Frenck, Brian Heffron. Row 2: Walt Monroe, Paul Wood, Dave Weaver, Shawn Milclausic, Pete TenHagen, Jeff Weiland, Scott Hall, Coach Bruce Brown.

Girls' Basketball

Swooshing In The Victories!

Coached by Mr. John Collins, Mendon's record does not reflect the team's overall potential. The girls were picked by many as one of the preseason favorites but there were several imposing hurdles. The team needed to overcome the loss through graduation of several team members and avoid injuries to key players. The close games, with one and two point margins proved that the team had the talent and determination. Their enthusiasm can be traced back to their captain, Molly Melville. The great job she did brought about unity and the famous Viking spirit. Some talented players will graduate, but the outlook is bright, with a very good JV squad coming up. Coached by Brenda Gibson the JV team had a terrific year, compiling a 11-1 record. Tri-captains Patty Zeifang, Shareen Rahman, and Tracy Searing are just a few of the reasons why Mendon's winning traditions will be upheld.

Row 1: Karen Erickson, Mindy Cohen, Alyce McCullough. Row 2: Laura Tallman, Marcy Bement, Tracy Malloy, Molly Melville. Missing: Patty Moranz, Sue Hanscel and Sue Reilly.

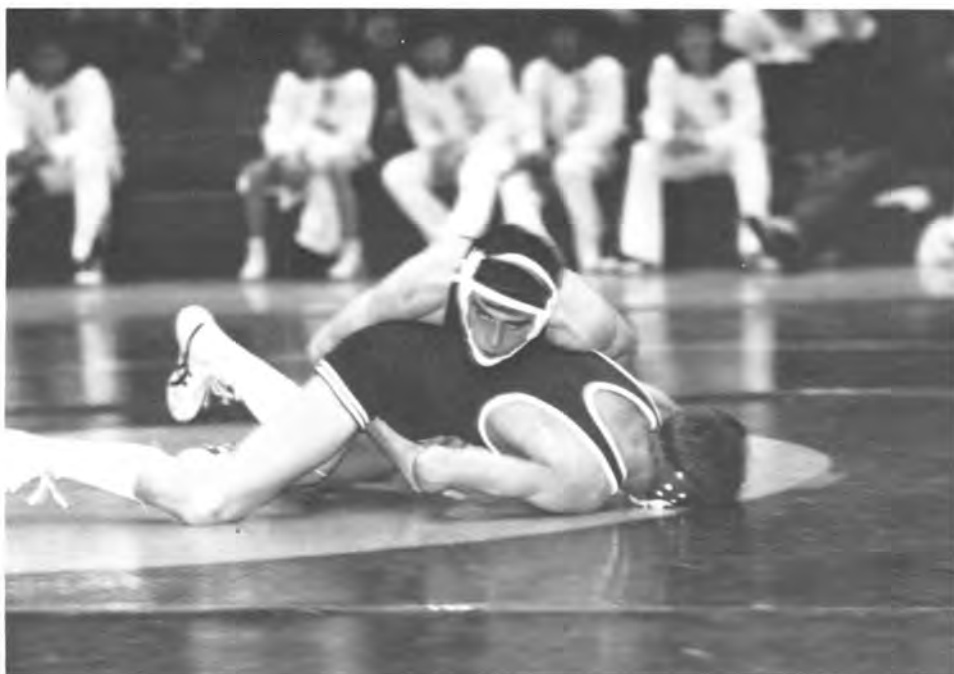

Row 1: Michelle Chaput, Shireen Rahman, Mindy Cohen, Marcy Bement. Row 2: Patty Zeifang, Alyce McCullough, Tracy Searing, Ulrike Koenig. Missing: Cindy Humphries, Jenny Wilkens, Rachel Newton, Stacy McGrath, Sue Davies, Debbie Stowe, Colleen Malloy, Mari Olivares.

Wrestlers . . . Pinning Down A Fine Season.

Row 1, Butch Beckmann, Mark Delavilla, Dave Kells, Mike Paszkiewicz. Row 2, Jim French, John Brennan, Jeff Camp, Mike Fleckenstein.

The 1982-83 Wrestling team marked a return to a combined team with Sutherland. Coached by Mr. Ernie DiBella and led by captains John Brennan and Jim Brown the wrestlers finished with a respectable 5-6-1 record. Highlights included impressive wins over Sperry and Schroeder. The team also did very well in some of the tournaments it participated in. In the tough Pal-Mac tournament, Dave Kells, Brown, and Brennan performed very well and earned the team a third place finish overall. In the Section V tournament these same three wrestlers continued to show their skills and strength, with Jim Brown capturing the 177 lb. class. John Brennan was upset in the sectionals but came back one week later in the state qualifier and finished first in the 250 lb. class. At the States, held in Syracuse, Brennan outmuscled all of the competition. John won the 250 lb. weight class and became the first wrestler from Mendon to win the state title. His victory also proved to be another milestone, as it was the first time a state champion had been coached by a previous state champion. Coach DiBella had won the title when he had wrestled for Pittsford.

Hockey . . . Controlled Violence

Row 1, Chip Walters, Brian Porter, Gary Gryski, Greg Oleson, Tom Hossler. Row 2, Assistant Coach John Felker, Jon Savage, Tom Zeifang, John McLoughlin, Gregg Tiemann, Derek Teal, Coach Howie Maffucci, Assistant Doug Kircher. The Viking Icemen achieved a very successful season, finishing the regular season with an 11-7 record. With a newly implemented schedule that pits the top teams against each other after the first half of the season, Mendon finished fourth in the standings. This was accomplished with a blend of seasoned veterans and many untested underclassmen.

Led by captains Tom Zeifang and Jim Newton, the Vikings opened with impressive victories over Batavia and Rush Henrietta. Their next opponent was highly touted Irondequoit. After jumping off to an early lead Mendon finally succumbed to the Indians depth and lost 6-3. After an easy victory over Fairport, the Vikes faced Sutherland. In a fast paced, hard hitting game Knights eeked out a narrow victory. Mendon breezed through their next four games, winning all by large margins. McQuaid humbled the Vikings 10-1 in a game that had to be rescheduled because of equipment failure at RIT. Mendon finished the first half of the season with victories over Aquinas and Penfield. With the leagues new alignment, Mendon would play the other top six teams and face tough competition every game. Highlights of part of the season included hard fought victories over Sutherland, Brighton, and Rush Henrietta.

Entering the playoffs, the Vikings first opponent was Rush Henrietta, a team they had beaten just a week earlier. In a game that was marred by 31 penalties Mendon showed its class with a 9-3 win. McQuaid was the next test, a team that had beaten the Vikes twice earlier in the season. After two periods, Mendon was leading 2-1 and playing their best hockey. However, McQuaid's superior depth finally showed in the third period as they skated off with a 6-2 decision, thus ending the Viking's playoff hopes. It was a season of impressive victories, hard fought losses, and valuable experience that will insure a quality hockey team for years to come.

Gymnasts

Perform With Skill And Grace

Coached by Mrs. Linda Conley-McCall and Amy Toth, the Mendon gymnasts showed steady improvement throughout the season, finishing with a 7-3 record and fourth place in the Monroe County meet. Two of the three losses were by two points which proves just how skilled this year's team was. Captains Lisa Schwartz, Sue Ayers and Jennifer Pestorius led the Vikings in its best season of the past three years. Five team members qualified for Sectionals which was hosted by Mendon this year. At this meet Joy Tanner was named to the All County Team and Jennifer Pestorius earned the honor of representing Section V in the state competition. Even though this marked the final year for the four graduating seniors, Sue Ayers, Melanie Crout, Marta Holmquist, and Lisa Schwartz, the enormous depth of the team ensures plenty of successful seasons to come.

Row 1; Beth Sheridan, Lisa Schwartz, Karen Heiligman, Amy Toth, Marta Holmquist, Coach Linda Conley-McCall. Row 2; Michelle Steinberg, Kelly Schelenker, Kristine Trowbridge, Sue Hendler, Kathy O'Neill. Row 3; Melanie Crout, Pam Storer, Colleen Wall, Chris Rock, Sherry Fletcher. Row 4; Sue Jones, Dionne Brown, Namrita Kapur, Tiffany Ricks. Row 5; Joy Tanner, Sue Ayers, Jennifer Pestorius.

Skiing . . . But Where Was The Snow?

Cross-Country Ski Team

Row 1, Kristy Robinson, Lynn Stiles, Lori Broski, Jenny O'Hara, Molly Lundy, Lisa Whitaker, Jack Sager. Row 2, Laurie Gerkin, Dan Bindert, Eleanor Rusling, Jim Root, Shaheen Rahman, Kevin Anderson, Kevin Kane, Catherine Stahl, Chris Colby, Matthew Smith, Dean Howell, Eric Kettelhardt, Tom Hernes, Mike Tinder.

Although the ski season lacked snow, the team definitely did not lack enthusiasm. With the biggest turnout in the history of Pittsford Mendon Skiing, the team had the quantity as well as quality to do well throughout the season.

The ski team is divided into two different sections: Alpine skiers race Slalom and Giant Slalom and Nordic skiers race ten kilometer runs and relay races. Both teams begin practicing on dry land by running and rollerskating until they are able to begin to ski on snow.

Coach William Hanson and co-captains Sarah Stahl and Chris Colby led the Nordic team to a fourth place finish in both the boys and girls leagues. Coach Doug Kessler and captain Lindsey Webber led the Alpine team to a good season and as a result of their sectional performance, Lindsey and Chris Hedges will represent Mendon at the state meet held in Lake Placid.

The team hopes not only for a large turnout of participants next season, but also for a large turnout of snow.

Downhill Ski Team

Row 1, Dennis Manzardo, Mark Hunter, Mr. Kessler, Bob Gately. Row 2, Rand Peterson, Jenny O'Hara, Mark Sukert, Jeannie Monacell, Jon Bernstein, Erja Eskala, Kathy Stone, Heather Kitzman, Charlene Weese, Mike Cheney. Row 3, Jeff Monacell, Ken Pietrowski, Eric Streb, Eric Sertl, Steve Stookey.

Swim Team . . . The Tradition Lives On!

Row 1; Jeff West, Kevin Dugan, Mike McCormick, Joel Wilson, Sam Hakim, Craig Campbell, Matt Krym, Chris Jacobs, Buddy Fahey. Row 2; Mgr. Lori Bushnell, Mgr. Laurie Sheridan, Paul Davis, Bob Haefner, Todd Lounsbury. Row 3; Chris Yeager, John Dent, Coach Marty Keating, Paul Barden, Tom Oldaker, Craig Lockwood Karl Engkvist. Row 4; Doug Whitney, Joe Herrmann, Paul Winfield, Todd Surdick, Dan Whitney, Barry Lubey, Paul Konz, Eric Yeager, Matt Lundy, Dave Delmonte.

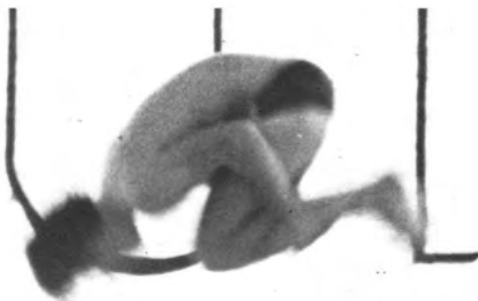

Coached by Mr. Marty Keating, the varsity swim team posted a commendable 9-4 record. Led by tri-captains Craig Lockwood, Sam Hakim and Paul Barden, the team endured the early morning practices and the long grueling workouts. These paid off as the team was ranked amongst the states best throughout the entire season. This despite the fact that they suffered three bitter defeats. These losses, to Sutherland, Greece and Webster were by a total of five points and in each case the meet came down to the final relay.

The JV team showed vast improvement, finishing with a 9-3 record. This team depended heavily on first year members who made considerable progress. This marked the first winning season for a JV swim team in Mendons history.

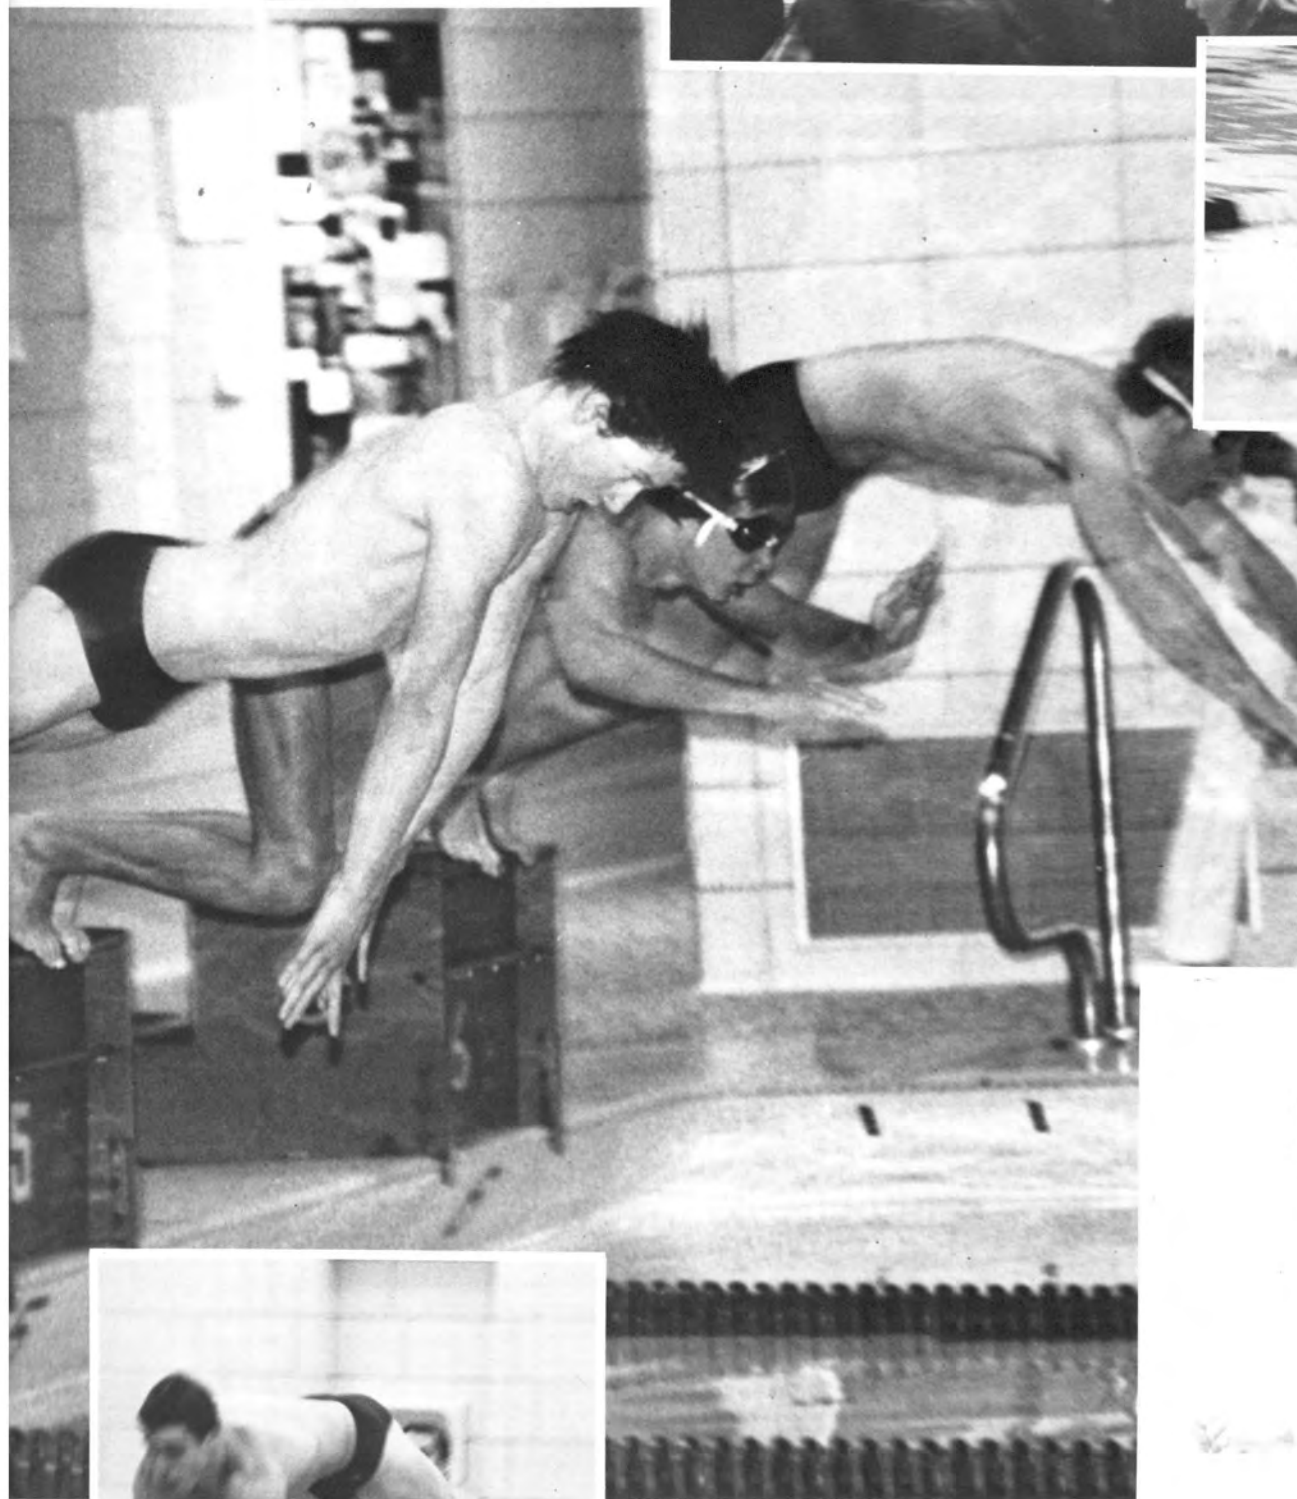

Entering Sectionals, the varsity team knew it would be a chance to redeem themselves. Mendon finished second in the sectionals to a powerful Fairport team, but had some outstanding individual performances. None were more impressive than senior Craig Lockwood who captured two individual events and was part of the record setting 200 yd. individual medley relay team. This tremendous performance earned Craig the Most Outstanding Swimmer award for the second straight year. Kevin Dugan took first place in the 100 yd. breaststroke and team mates Karl Engkvist, Buddy Fahey and Paul Barden finished strong in their events. Four members of the team went on to state competition. The medley relay, a team of Craig Lockwood, Kevin Dugan, Buddy Fahey and Karl Engkvist, placed first in the intersectionals and also earned All-American honors. Craig Lockwood placed second in the 100 fly and seventh in the 200 IM.

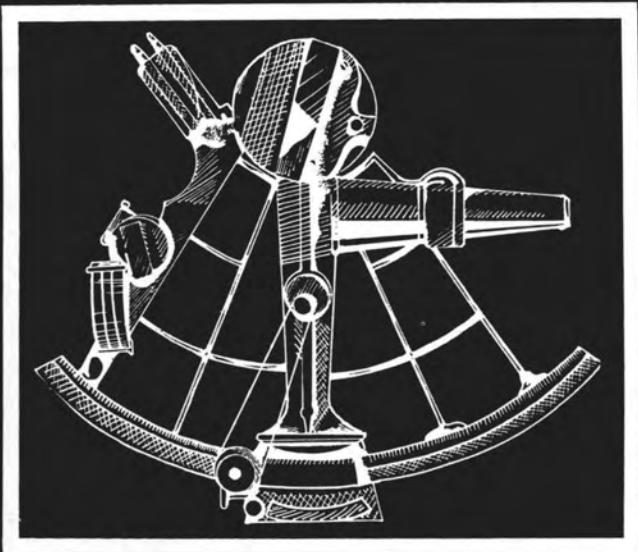

Mendon proved it deserved the local and state rankings and that hard work does have it rewards.

My Friend

My friend we've been
thru it all.
The joy, the pain, the
beauty of it all.
We could see no end
to such joyous times.
Yet we could see no
beginning as we heard
The ringing of the
chimes.
My friend as we go
our seperate ways,
To chase our dreams,
remember
The bond between two
friends can never be
erased.

Destitute

I stand in the middle
of a destitute land,
nothing to save me
but my soul and my hand.

I reach up to the sky
and grab the sun,
my hands starts to burn
and my soul wants to run.

Nothing left to save me
but my will to live,
nothing left to save me
I've got nothing to give.

Elizabeth Grushkin

Ocean

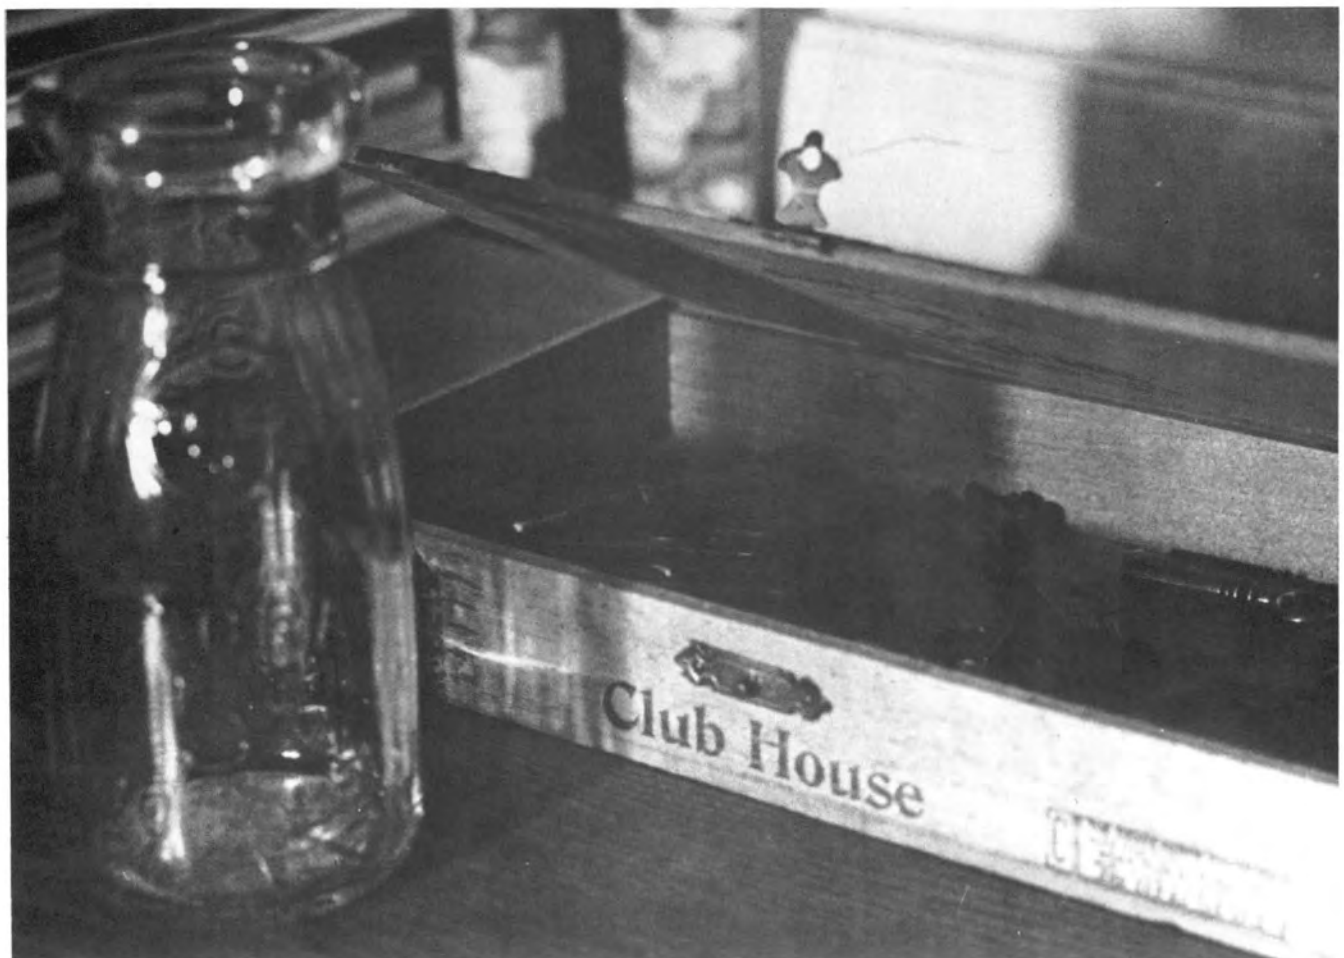

Wet sand
Cool, soft water running
over my feet.
The taste of salt in the
air.
The roar of surf in
my ears.
The waves pounding.
Always changing yet
forever the same.
Grinding shells into sand.
Destoryjng those who
challenge you.
Soothing those who love you.
Shallow people see your
surface and waves.
But I know your secrets
hidden in the depths.
Dear ocean you are more
soul.
I promise to return
to you.

All School Executives

The All School Executives are a group of officers that lead and organize meetings concerning school functions. At these meetings decisions are made and dates set for upcoming events. These officers fund activities such as Homecoming and Senior Citizens Day as well as working closely with the faculty on many issues.

Row 1; Todd Bitgood, Staci Henry. Row 2; Jean Scholl, Dan Bryson.

Executive Board

The All School Executive Board is composed of the Senior, Junior, Sophomore Class Officers and the All School Officers. They plan the senate meetings and set the agendas. A few selected executives annually attend an All State Student Council meeting in New York City. As a result the whole student body benefits greatly. Since all the classes are represented equally in these meetings a wide range of opinions can be discussed, and the council can arrive at just and wise decisions concerning the student body.

Youth & Government

Legislators Of Tomorrow

Youth and Government offers students a chance to become better acquainted with the government of New York State. Students are introduced to the government through actual participation in the democratic process. In the true spirit of democracy, this group has no faculty advisor and is solely student-run. Several changes were made to the program including the introduction of the party system to the Senate and the addition of new departments in the executive branch.

At the annual Albany conference, Chris Yeager served as speaker of the Assembly. Mark Wrathall was a District Party Leader and was also selected as best speaker in the Senate. Mellissa Webster served as editor of the Dialect and Namrita Kapur was selected best lobbyist.

Model U.N.

Future Diplomats

The Model UN Club is comprised of students who attend the several model UN conferences which are held throughout the year. One of these is the Nazareth Model UN Conference sponsored by RAUN, Rochester Association for the United Nations, held each year in March. Nearly a thousand students and advisors from across the state attend the conference. At this conference each student participates in a committee and the General Assembly. In preparation, members must acquaint themselves with their representative country's resolution, parliamentary procedure, and most importantly, a diplomatic way to deal with the world's problems. In addition, members attend a conference at Hilton High School in the fall. They also organize and provide leadership for a Model UN Day at Barker Road Junior High for ninth graders in the spring. Faculty advisor is Ms. Janis Kuntz.

Latin Club

Latina Vivit In Pittsford Mendon

The Latin Club is composed of a group of dedicated scholars in their third and fourth years of the language. Students provide activities at the meetings which range from the recent excavations at Pompeii and Herculaneum to Roman architecture. Through these discussions, disciples glean a better understanding of how the Roman culture affects the twentieth century. Their motto, "Verbum sapienti sat est" (A word to the wise is sufficient,) is a worthy creed for all.

Internship Program

On The Job Training

The Internship Program offers students an opportunity to explore different careers from Architecture to Special Education. These interns work at a location (i.e. dentist's office, Xerox) gaining experience in their desired field of study. Students receive a quarter to a half of credit depending on how many hours they worked per week. The Internship Program is offered in both the spring and fall semesters. It is coordinated by Mrs. Hefferon.

Chorus

What Would We Do Without Music

This musically talented group of people kept busy learning music and practicing for concerts throughout the year. In November, Mendon hosted the annual Choral Festival, which included the choruses from the Junior and Senior High Schools in Pittsford. Mr. Fritz Mountford, a world renowned choral director, was invited to work with the students during the day and direct a combined chorus in a concert that evening. Mr. Mountford was also in Pittsford to direct the All State chorus. Jane Overslaugh, Kelly Parsons, Ashley Dryden, Laurie Walters, Elizabeth Cheney, Jamie Golden, Lou Giovannetti, and Dan Adams were selected to represent Mendon on this prestigious group.

This dedication is shown by the fact that they meet several days a week beginning at seven o'clock in the morning. The music they perform reflects different styles of jazz and featured many soloist appearances in their concerts. The groups upbeat tempo is always well received.

This club is mainly an automotive shop where work is done on members' cars or cars belonging to the community. Since there is no expense in joining the club, donations are received and put in the treasury. The club has high expectations of joining the National Industrial Arts Club to share their interest with others across America.

Row 1, Chris McCormick, Randy Silco, Mr. Murphy, Shawn Campbell.

— Peer Support Club —

Dedicated & Caring Students Support Community.

This group of dedicated and caring students began the club this year. The objective was to lend assistance to other students whom might be having either academic or personal difficulties. Members of the peer support underwent an intensive training program during the summer and fall, meeting on a weekly basis. The training sessions were led by counselors from The Center and focused on listening and communication skills. Mr. Johnson was the faculty-student coordinator. The students who participate in DECA manage the bookstore. In addition to this, they compete with other students in areas such as general merchandising, restaurant management, food marketing, food service, job interview, and public speaking. This competition is held at the regional and state levels. Mr. Kuntz advises the activities of these business-minded students.

ENTRY THREE:

September 25, 1982 "Catch That Mendon Spirit!"

Long hours of planning, making flowers, and painting all led up to September 25, Homecoming 1982. The traditional festivities of the weekend consisted of the pep assembly, bonfire and jam session on Friday. Saturday's activities began with the soccer team's victory over Penfield, followed by the Pep Club sponsored Parent Reception.

Perfect fall weather made the football game and halftime float parade even more enjoyable. Each class revealed its float which they had been working on for the previous weeks. A new tradition was started this year with the judging of the floats by the PTSA. The Sophomore class was awarded first place for doing the best job of representing the theme, "Catch That Mendon Spirit!"

The football team's loss to Eastridge did not dampen the Viking spirit and an unusually large crowd showed up for the dance. WCMF's, Scott Spezzano was the guest disc jockey and kept the tunes rolling. Before the dance ended, Chrissy Richards and Tim Vesling were crowned as queen and king of the weekend. Sharing the spotlight were the class princes and princesses. Shireen Rahman and Walt Monroe represented the Sophomores while Marcie Bement and Paul O'Malley were crowned for the Junior class.

The traditions were upheld and once again the Homecoming weekend set the tone for a great year.

On October 24th, a new tradition was established at Mendon. For the first time, a Powder Puff Football game was held. A team of junior girls was set up to play a team of seniors.

Preparations for the big game started weeks in advance. Varsity football players like Tim Vesling and Scott Barnett volunteered to take charge of the coaching the girls. At practice, after establishing the fundamentals of the game, coaches assigned positions and drilled on various plays.

The Sunday of the game teams met early in order to get psyched up. The juniors looked sharp in their custom made jerseys along side the seniors, who wore a hodge podge of colors and M*A*S*H T shirts. However, the game ahead would prove who really knew what they were doing on the football field.

The name of the game was touch, but by the second half, the game voluntarily turned to rough tackling. The game was primarily a defensive battle. Neither team seemed able to gain that first down. The score was tied at 0-0 until the fourth quarter, when senior Sue Ayers carried the pigskin across the goal line to score a big six for her team. The seniors were successful in holding their lead and went home the victors over the juniors.

December 22, 1982
Holiday Party

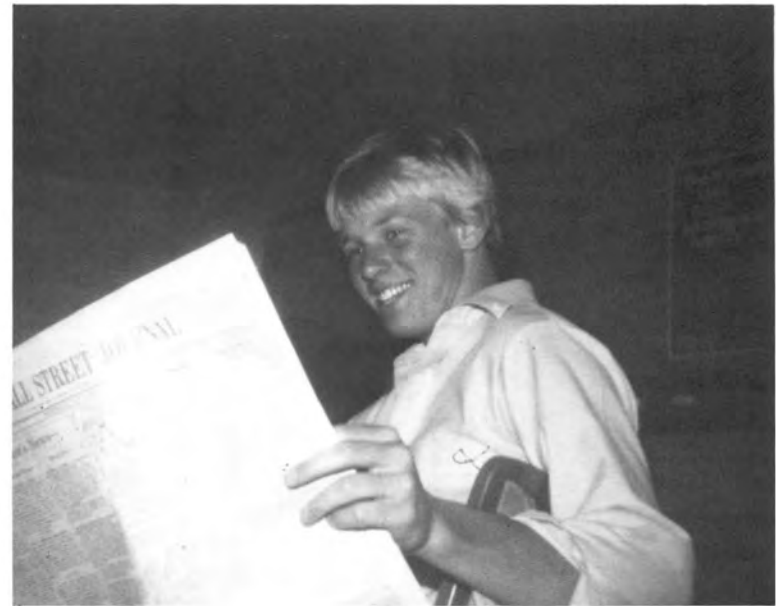

'Twas the day before vacation and everyone was stirring with the holiday spirit. The halls were full of enthusiastic students decked out with red and green outfits, and, not to mention, a few elves. The prospect of the long awaited and ever approaching twelve days of freedom and leisure seemed to put a smile on everyone's face. Even the schoolday itself was not too hard to bear since all classes were shortened.

Vacation was kicked off with the traditional Holiday Party at the end of the day. To encourage everyone to attend this festive event, free Coke and holiday goodies were offered. There was also live entertainment including two rock bands and Mendon's Show Choir. Santa Claus (alias John Brennan) was present to give away prizes to two lucky girls and two lucky guys in each class. The grand prize was received by Cheryle Lewis who went home with a new black and white television.

As the party came to an end at two o'clock, grateful students said goodbye to teachers, homework, and school lunches until the new year.

April 2 brought news to the world that Argentine troops moved onto the Falkland Islands which have been ruled by the British since 1833. Since NATO took a stand against Argentina, South America branded the U.S. disloyal for supporting Britain. Even though the war lasted only seventy-four days, Britain suffered the loss of 550 men and Argentina lost 750 men.

A new monument honoring the dead and missing from the Vietnam War was unveiled in Washington. This monument designed by Maya Ying Lin, a young architecture student, was the target of a great deal of controversy. Americans argued over the appropriateness of the monument's design.

On June 21, Princess Di delivered her first royal baby. Little William Arthur Phillip Louis is the pride of the royal family and, not to mention, all of England.

In July, the nation was shook up by the resignation of Secretary of State Alexander Haig. Haig did not pick a very opportune time to resign since Beirut was in great turmoil. President Reagan chose George Shultz to succeed Haig as Secretary of State.

Once again, the year was filled with problems in the Middle East. None of which were solved even though the U.S. sent peace-keeping forces. Sadat's successor, Hosni Mubarak, continued to resist Begin and Israel.

Fall brought the shocking report of the discovery of poisonous Tylenol capsules in Chicago. The painkiller was recalled after seven people died from the cyanide-laced Tylenol capsules. Consequently, the terror created by this event caused the cancelling of "Trick or Treat" in many cities across the nation.

New York State elected a new Governor this year. Lt. Governor Mario Cuomo beat his Republican adversary Lou Lehman by a small margin to capture the office.

On December 9, television shows were interrupted to bring a special broadcast on some maniac threatening to blow up the Washington Monument. Norman D. Mayer, an antinuclear war activist, ended his protest when he tried to drive away and was shot in the head and killed.

John Delorian, a famous producer of stainless steel cars, was arrested on charges of cocaine possession. His hopes of saving his car company led to his involvement in this multimillion dollar cocaine deal.

Barney Clark, a sixty-one-year-old retired dentist, was the means for a milestone in medical progress. He was the first human to receive a permanently implanted artificial heart. Clark's new heart was installed during a seven and a half hour operation.

Often times, people are heard raving about the "Man of the Year". In 1983, however, all the fuss was made over the "Machine of the Year," the computer. On the outside the computer appears to be an ordinary machine, another one of America's doohickeys, but the computer's overwhelming capacity to do just about everything puts it a breed apart from a common machine. Another asset that put the computer in the public spotlight is its amazing potential to broaden the horizons of the world.

Of course, avid sports fans were glued to their televisions during the World Series and Superbowl. The St. Louis Cardinals took the World Series four games to three over the Milwaukee Brewers. The Miami Dolphins and Washington Redskins made it to the top of the playoff tournament and played in the Superbowl. Washington came out on top with a 27-17 score. John Riggins, Redskin fullback, was named M.V.P. of the game.

The 1982 Heisman Trophy for the best college player was awarded to Georgia's Herschel Walker. Walker scored a total of fifty-two touchdowns and gained 5,259 yards for his team. At the end of February, Walker quit school, took the money, and will run for the USFL.

Jimmy Connors hauled himself back to the No. 1 world ranking with a classic victory over 22-year-old Czech Ivan Lendl in the final of the 101st U.S. Open. Another tennis headliner this year was Borg who retired from the game after several years of being on top.

Epcot Center, the newest dimension of Walt Disney world, opened on October 1. This experimental prototype for the society of tomorrow consists of two parts. One is the World Showcase; the other is Future World. The main attraction at Future World is the Kodak Pavilion which has the theme of "journey into imagination."

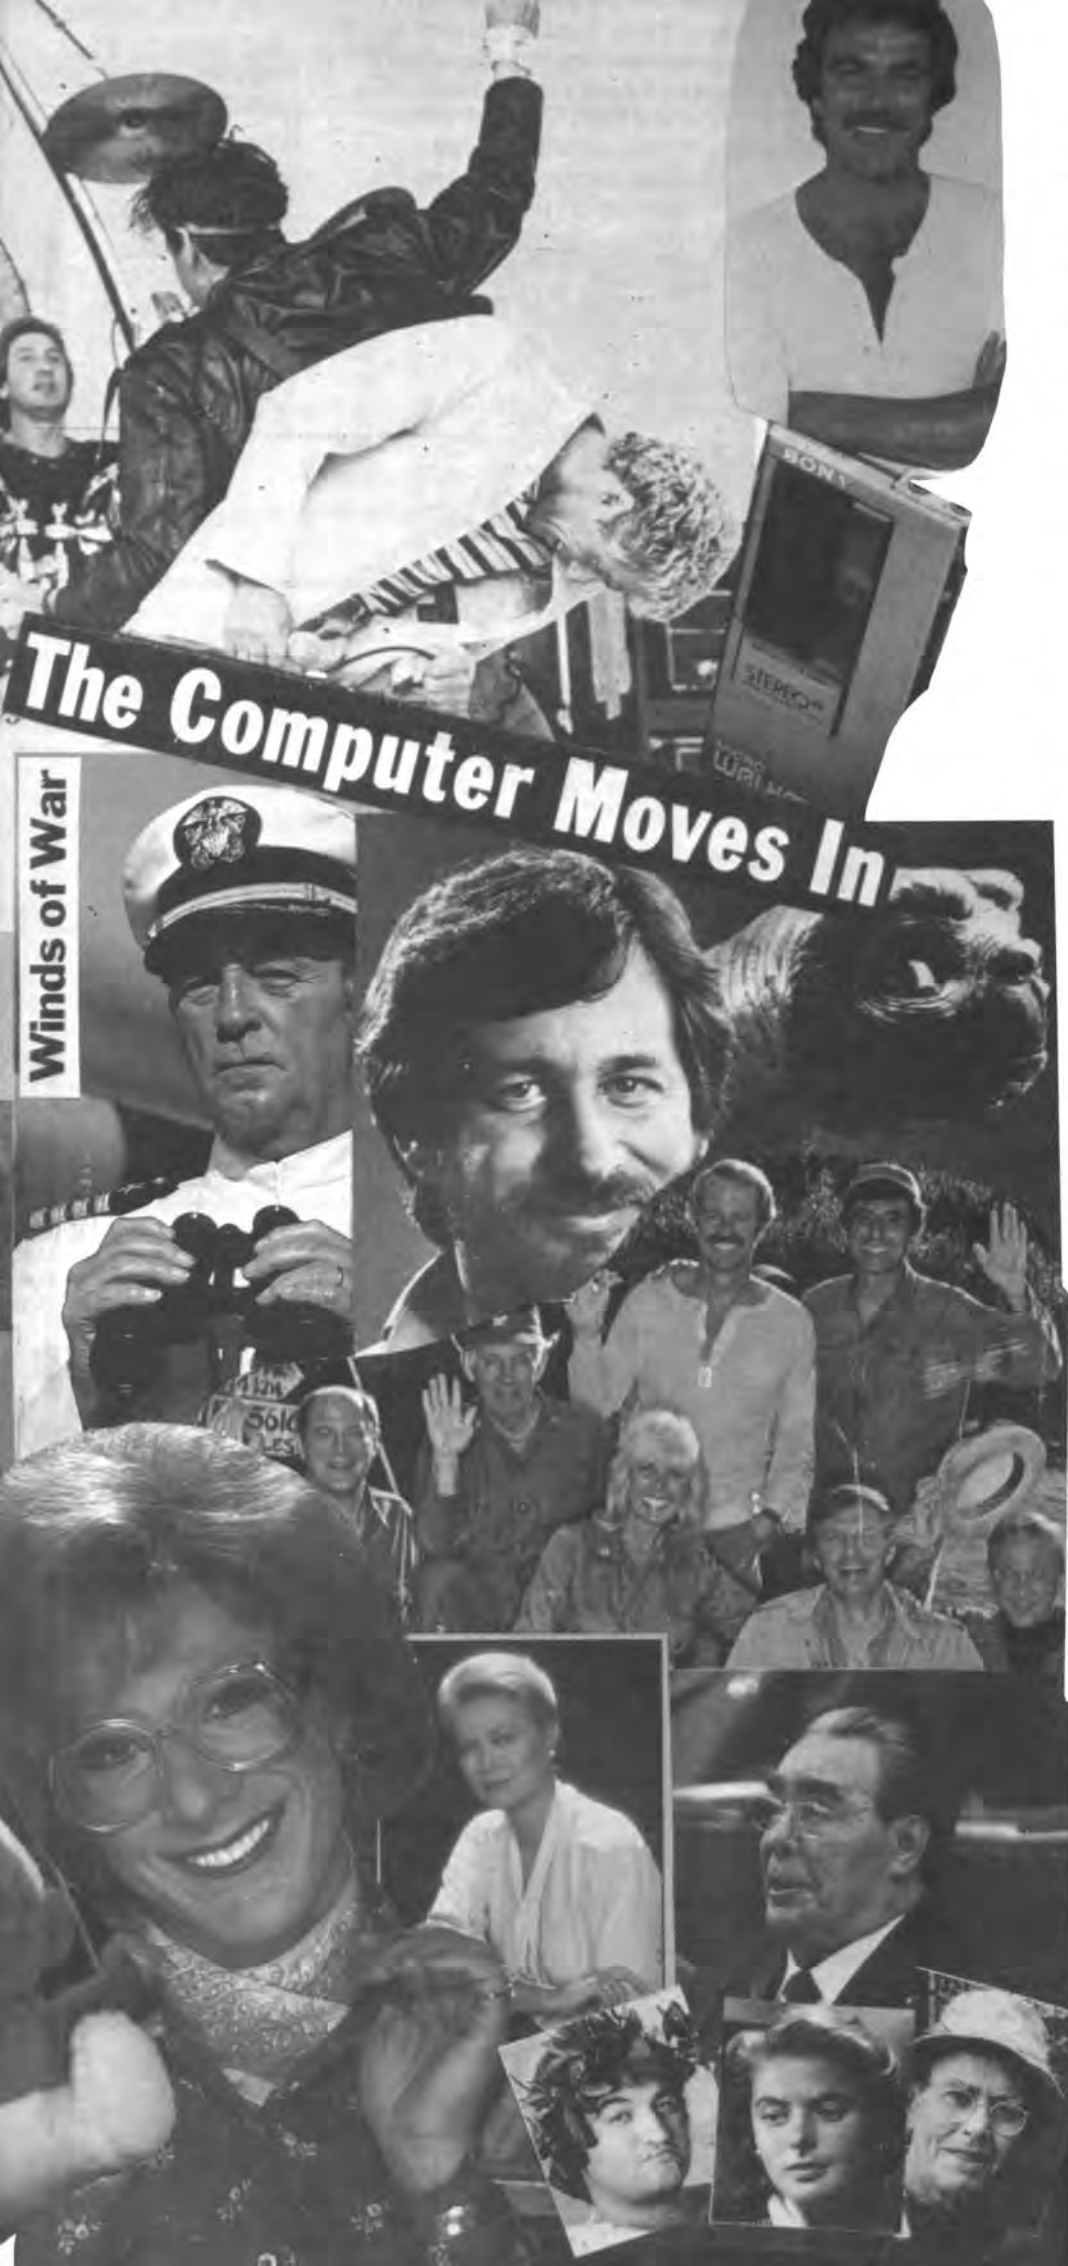

Steven Spielberg's alien creature, E.T., captured the hearts of millions of moviegoers. This box office smash was about an alien who is accidentally left behind on Earth and tries to "phone home." Another hit was "Tootsie", starring Dustin Hiffman, who dresses like a woman to get a roll in a soap opera. Both these movies were nominated for Oscars as best movie along with "The Verdict", "Missing", and "Gandhi". Other box office hits included "An Officer and a Gentleman", "On Golden Pond", "Poltergeist", "Porky's", "Fast Times at Ridgemont High", and "Star Trek, The Wrath of Kahn."

After seventeen years of concert tours, The Who announced their final tour. The group successfully completed a thirty-three city tour of sold-out concerts. The group has plans to continue producing albums. Some new groups who emerged this year are Asia, Survivor, Adam Ant, John Cougar, and The Men at Work.

After eleven years on the air, the Korean War finally ended and the characters of M*A*S*H went home. M*A*S*H was a spinoff of a 1970 movie. The series concluded with a two and a half hour movie on February 28, 1983.

After having created 4,300 *Doonesbury* cartoon strips over the last dozen years, cartoonist Gary Trudeau decided to take it easy and sign off for a spell.

This past year saw the passing of many famous personalities. Among those lost were: John Belushi, Henry Fonda, Ingrid Bergman, Grace Kelly, Karen Carpenter, Hubie Blake, Arthur Rubenstein, Dave Garroway, Bear Bryant, Leroy "Satchel" Paige, Leon Jaworski, Bess Truman, and Leonid Brezhnev.

Dear Senior Class of '83

This year has gone by so quickly, yet we have managed to make the best out of the time we have had.

Looking back on our senior year, we have many things to remember. It will be hard to forget our homecoming when everyone "M*A*S*H*E*D/out", or our news-making class picture in front of a United States Army helicopter. And always in our memories will live that unprecedented day when both our soccer and football teams came home with the highest attainable titles. Ours is a class that we will always be proud of.

We, as class officers, are especially proud and grateful. We have always received a great deal of support from this class to make our activities successful. A special thanks to our class advisors and some very caring teachers; you've always been there for us.

Class of 83, you are very special. You each have a great deal of potential, and we want to wish you the best of luck always.

We love you and we'll miss you,
Chrissy, Mimi, Laurie, and Jane

At last it's done!

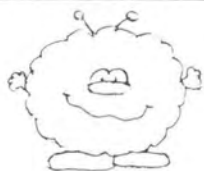

Working on the yearbook has been an exciting and challenging experience. It has made my senior year a very memorable one.

Without the help and hard work of a talented yearbook staff, I would never have completed deadlines and made it through those difficult times. I would especially like to thank Mary Beth Feindt, Joyce Grubisha and Jane Overslaugh for their support. Mr. Sherman was an enthusiastic advisor, good friend and "able typist." He was there whenever I needed him to give me guidance and encouragement. My parents and brother were always willing to help, which at times was no easy task. To these people and to all the others who have assisted me, I would like to express my deepest appreciation for their efforts.

In the 1983 Heimskringla we have tried to capture the memories of a very special year. We hope you enjoy our book.

Love,
Chrissy

Final Entry

Our journey has come to an end.
We can see our new horizons.
May the next voyage for each of us be even
happier and more successful than the one
we have taken together here at Pittsford Mendon.

Alma Mater

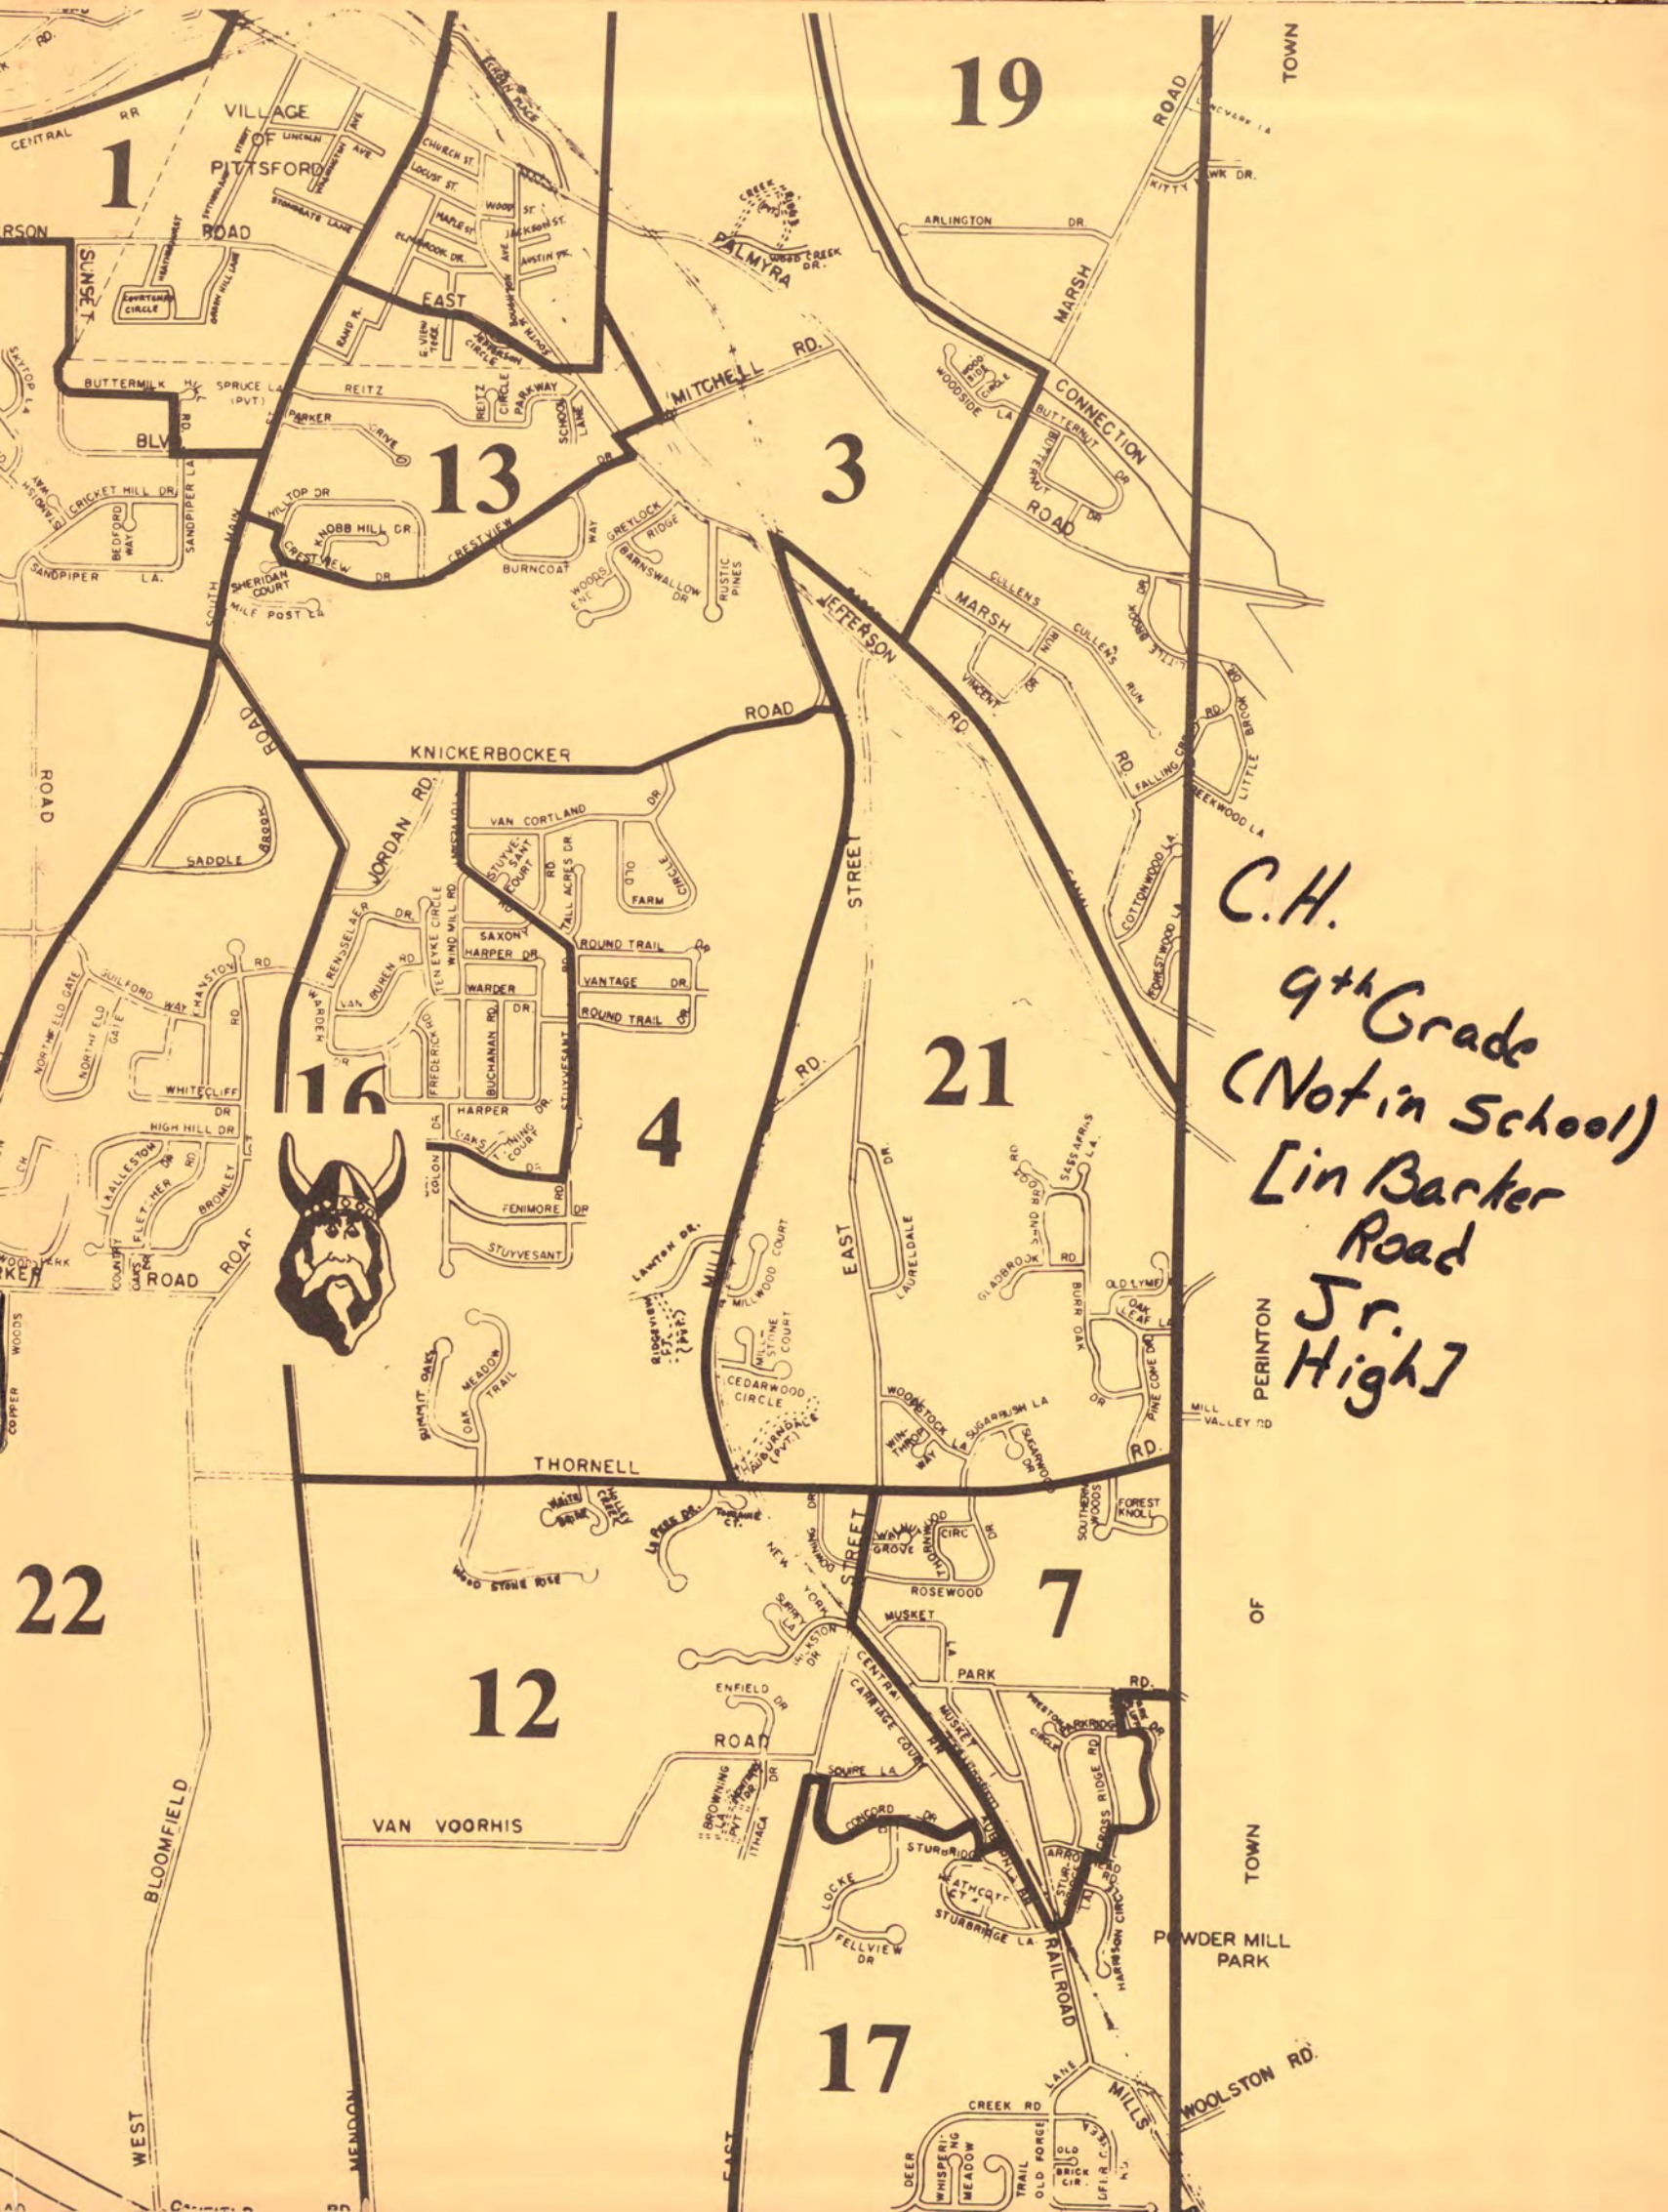

The Viking strength shall always be
A tribute to our school
"Win with pride" will always be
A Viking golden rule

So with glad hearts we sing this song
And sigh a hopeful sigh
Our happy memories are of
Pittsford Mendon High

Our Pittsford home is unsurpassed
In beauty, we all know
A worthy sight for our great school
Whose spirit we all show

So with glad hearts we sing this song
And sigh a hopeful sigh
Our happy memories are of
Pittsford Mendon High
